1 in Weslaco, if I was working an off-duty detail here and  
 2 they weren't expecting me to come through, I would make  
 3 it a point to come through the police department, walk  
 4 through, check the jail.

5 Q. And, Lieutenant Walensky, do you reside in  
 6 Weslaco, Texas?

7 A. No.

8 Q. Where do you live?

9 A. In Pharr.

10 Q. In Pharr. How far is your drive from Weslaco  
 11 to Pharr?

12 A. 17 miles.

13 Q. 17 miles. How long does it take you?

14 A. 17 minutes.

15 Q. Okay. So by -- so after 5 o'clock, you are out  
 16 of the -- you are out of the city limits of Weslaco.  
 17 Correct?

18 A. I live outside the city.

19 Q. Okay. And the jail -- the jail supervisor, in  
 20 other words, the shift -- I am sorry. The shift  
 21 supervisor who is responsible for the jail when you are  
 22 not in Weslaco at the police department, does that -- do  
 23 the jail -- do these jail or shift supervisors, do they  
 24 have any specific training in jail administration?

25 A. Not to my knowledge.

Page 119

1 Q. Okay. So there is three shift -- three shift  
 2 supervisors every day. Correct?

3 A. Yes.

4 Q. How many shift supervisors are there in any  
 5 given week?

6 A. You have three shifts, seven days a week, and  
 7 two supervisors per shift.

8 Q. Okay.

9 A. You have seven days a week.

10 Q. Right.

11 A. Sergeant has got to work five. He can have two  
 12 days off. Those two days off, there is going to be a  
 13 corporal there. So you are going to have two  
 14 supervisors, three shifts, seven days a week.

15 Q. So at most in any given week, there will be two  
 16 shift supervisors. Correct? During any -- during the  
 17 week, two different --

18 A. Three days a week, because you have your three  
 19 days when they are all there, when there is a --

20 Q. Okay.

21 A. -- sergeant and corporal there. When the  
 22 corporal has two days off, the sergeant is on. The  
 23 sergeant will have two days off, then the corporal is  
 24 on, and then you start your week.

25 Q. Okay. So at most there are three shift

Page 120

1 supervisors a week. Wouldn't that be fair?

2 A. There is three shifts and there is two  
 3 supervisors per shift. So there is --

4 Q. Okay.

5 A. And they work a five-day-a-week schedule.

6 Q. Okay.

7 A. So however you want to mix and work that  
 8 around. You have got a total of six supervisors either  
 9 being a corporal or a sergeant.

10 Q. Got it. So out of the six supervisors, as a  
 11 prerequisite for becoming a shift supervisor, did the  
 12 City of Weslaco require that these shift supervisors  
 13 have jail administration training?

14 A. No.

15 Q. Does the City of Weslaco require that the shift  
 16 supervisors have -- have training on dealing with  
 17 persons with mental illness?

18 A. CIT training.

19 Q. Just CIT training?

20 A. (Moving head up and down)

21 Q. Okay. How about on specific coursework on  
 22 preventing suicides?

23 A. That would be covered in your CIT training.

24 Q. But that is not a requirement of the City of  
 25 Weslaco in order to become a shift supervisor. Correct?

Page 121

1 A. To my knowledge, no.

2 Q. And the shift supervisor is -- during any given  
 3 shift, are they stationed at the police department, or  
 4 are they acting -- are they out on the field as patrol  
 5 officers?

6 A. In the field.

7 Q. They are in the field. Okay. So on May 17th,  
 8 2007, there really wasn't a high-ranking Weslaco Police  
 9 Department officer supervising Jailer Moreno and the  
 10 detainees at the jail. Correct?

11 A. Just the jailer on duty.

12 Q. Okay. So is that correct?

13 A. Yes.

14 Q. The second page of Exhibit No. 1 talks about  
 15 supervision.

16 A. Yes.

17 Q. Do you see that at the top, lieutenant?

18 A. Yes, sir.

19 Q. It says, "The jail will be overseen by the  
 20 bailiff or jailer supervisor who reports directly to the  
 21 lieutenant assigned to command the jail." Did I read  
 22 that correctly?

23 A. Yes, sir.

24 Q. Okay. And here when we talk about the jail  
 25 supervisor, we mean -- when we talk about the jailer

Page 122	Page 124
<p>1 supervisor, we are talking about shift supervisors.  2 Correct?  3 A. Well, actually --  4 Q. For practical purposes?  5 A. It could be the shift supervisor, if I am not  6 here, or it could mean the jail commander. Whoever the  7 highest-ranking person --  8 Q. Okay.  9 A. -- on duty is usually how --  10 Q. Okay.  11 A. The rule of thumb.  12 Q. Between the hours of 8:00 a.m. and 5:00 p.m.,  13 you would be the highest-ranking --  14 A. If I was on duty, yes, sir.  15 Q. -- officer over the jail. Correct?  16 A. That's correct.  17 Q. But after 5:00 p.m., it would be -- most likely  18 would be the shift -- police department shift  19 supervisor?  20 A. Yes.  21 Q. Okay. If something happens at the jail  22 during -- after 5 o'clock, who does that shift  23 supervisor report to?  24 A. He would notify the chain of command, including  25 myself.</p>	<p>1 Probably special crimes, grants. I think he had  2 training. I am not sure, but --  3 Q. Okay.  4 A. -- that is off the top of my head.  5 Q. Okay. Let me read you section C on the second  6 page of Exhibit No. 1. It reads, "Jailers are the  7 primary providers of care and custody of inmates of the  8 Weslaco City jail." Did I read that correctly?  9 A. Yes.  10 Q. Okay. "They are responsible for the day-to-day  11 operations of the jail including the transporting of  12 prisoners to the county jail." Did I read that  13 correctly?  14 A. Yes.  15 Q. Now, in May of 2007, the City of Weslaco had  16 one jailer per shift. Am I -- is that correct?  17 A. Depending on the shift.  18 Q. Okay. How about the evening shift, from 3:00  19 to 11:00?  20 A. That would have been the norm, yes.  21 Q. Are there more jailers during the earlier  22 shifts?  23 A. Yes. I believe in that term and as it is now  24 four jailers. We would have one -- two jailers on the  25 day shift at times, depending on scheduling, vacation.</p>
<p>1 Q. Okay. And who is on -- who does he contact  2 first?  3 A. He would contact probably myself.  4 Q. Okay. And if he can't get ahold of you?  5 A. It would probably be the other captain and then  6 the chief of police.  7 Q. Okay. And the other captain -- okay. Who is  8 the other captain in May of 2007?  9 A. Captain Vallejo.  10 Q. Vallejo. Did -- Captain Vallejo, is he a  11 mental health peace officer like you are?  12 A. Not to my knowledge.  13 Q. Okay. Do his job duties include -- and I am  14 talking about -- does he have an 8:00 to 5:00 job like  15 you do?  16 A. Yes.  17 Q. Do his job duties between 8:00 and 5:00,  18 8:00 a.m. and 5:00 p.m., do they include any jail  19 administration issues?  20 A. No, sir.  21 Q. Okay. Do they -- what are his specific job  22 duties, if you know?  23 A. Much like myself, he had several. He would be  24 in charge at that time of SWAT team, criminal  25 investigations division. What else did he have there?</p>	<p>1 Q. Okay. And so there are three shifts. Correct?  2 A. Yes.  3 Q. From 8:00 a.m. to 3:00 p.m.?  4 A. During that point in time, it was 3:00 to  5 11:00, 11:00 to 7:00, and 7:00 to 3:00.  6 Q. 3:00 to 11:00 p.m., 11:00 to 7:00 a.m., and --  7 A. 7:00 a.m. to 3:00 p.m.  8 Q. 3:00 p.m. Okay. And during the day shifts,  9 there would be more than one --  10 A. On occasion --  11 Q. -- jailer?  12 A. -- yes.  13 Q. But there were occasions when there was just  14 only one jailer per shift?  15 A. Oh, yes.  16 Q. Okay. And if -- if, for instance, during day,  17 there is a need to transport a prisoner like we are  18 seeing right here under section C and there is only one  19 jailer, who would monitor the detainees at that time?  20 A. Well, that is when our transports, we had  21 that -- where that fourth jailer, we would actually have  22 two in the day. So one jailer could handle the  23 arraignments, taking the prisoners in to be arraigned by  24 the judge before they were sent over to the county jail  25 or the Class C misdemeanors, to have the judge hear that</p>

Page 126

Page 128

1 right there, and conduct the transports while leaving  
 2 another jailer at the jail.

3 Q. Okay. In the evening when there is only --  
 4 that was the norm, right, one jailer during the evening  
 5 shift --

6 A. Yes.

7 Q. -- from 3:00 p.m. to 11:00 p.m.?

8 A. Correct.

9 Q. Okay. During that shift -- I looked at the  
 10 jail logs, and it seems like sometimes the jailer during  
 11 the evening shifts would leave to get food for the  
 12 detainees?

13 A. Yes.

14 Q. Okay. And so when -- the Weslaco Police  
 15 Department does not have a cafeteria or a kitchen.  
 16 Correct?

17 A. Correct.

18 Q. Okay. So the jailer -- evening shift jailers  
 19 would have to leave the premises. They would have to  
 20 leave the jail in order to feed -- in order to get the  
 21 food for the detainees. Correct?

22 A. Yes.

23 Q. When that would happen during the evening  
 24 shifts -- because I am assuming there is a dinnertime?

25 A. Yes.

Page 127

Page 129

1 Q. Who would in that -- under that scenario  
 2 monitor the detainees?

3 A. The dispatchers.

4 Q. The dispatchers. And so the dispatchers would  
 5 monitor when the evening jailer leaves the premises.  
 6 Correct?

7 A. Yes.

8 Q. Okay. And they monitor by video only, or do  
 9 they go and physically observe the detainees inside  
 10 their cells?

11 A. By video.

12 Q. By video. So every cell -- and I forgot how  
 13 many cells you told me.

14 A. There is a total of five cells.

15 Q. Okay. Every cell has a video camera?

16 A. At least one.

17 Q. At least one. Okay. And back in -- was this  
 18 true back in May of 2007?

19 A. Yes.

20 Q. Okay. And are the dispatchers, are they able  
 21 to --

22 A. Excuse me.

23 Q. Yes, sir. Can they -- do they have audio  
 24 capabilities when they are monitoring?

25 A. Only on one camera.

1 Q. And is this true in May of 2007?

2 A. Correct.

3 Q. Which camera -- where was that camera located?

4 A. In the main booking portion.

5 Q. Okay. In the main booking portion. So  
 6 where -- at the booking desk area?

7 A. Yes.

8 Q. And that is where the jailer first receives the  
 9 detainees --

10 A. Yes.

11 Q. -- the persons that are arrested?

12 A. (Moving head up and down)

13 Q. The dispatchers have audio capabilities?

14 A. Yes.

15 Q. They can actually hear what is going on in  
 16 booking?

17 A. On camera eight, yes.

18 Q. Okay. And was that true back on May 17th,  
 19 2007?

20 A. Yes.

21 Q. Okay. With the -- with the audio capabilities  
 22 via that camera number -- what did you call it? Camera  
 23 eight?

24 A. It is either eight or sixteen. Actually it is  
 25 the camera that the Hidalgo County District Attorney's

1 office provided for the visual and audio documentation  
 2 of DWI field sobriety testing.

3 Q. Okay. That's good to know, Lieutenant  
 4 Walensky. Well, and had this camera -- was this camera  
 5 installed prior to May 17th, 2007 or after May 17th,  
 6 2007?

7 A. That camera, to my knowledge, has been there  
 8 since I have been there.

9 Q. 13 years?

10 A. It is actually hooked up to a VHS system.

11 Q. Okay. So that means that it records?

12 A. Yes.

13 Q. Okay. And it records because the Hidalgo  
 14 County DA's office wants to use that video of the person  
 15 arrested for future court cases of --

16 A. Prosecution of DWI.

17 Q. Okay. In May 17th of 2007, was that video  
 18 recording system operating? Was it functional?

19 A. I can't be sure. We have had camera issues,  
 20 but to my knowledge -- it would be a guess.

21 Q. Okay. And the only reason I am asking you,  
 22 because it is one of the areas of inquiry that I have  
 23 to -- if you don't know, who would know? Who would be  
 24 responsible for the maintenance and -- and repair of  
 25 that camera?

Page 130

1 A. Technically, it is my understanding, it would  
 2 be the District Attorney's office.

3 Q. Okay. And where does it record, Lieutenant  
 4 Walensky?

5 A. The camera that is actually in the processing,  
 6 booking area is wired to the dispatch area, and there is  
 7 a monitor.

8 Q. Okay.

9 A. And then there is a VCR that is actually hooked  
 10 up to it that you would put in a video, VHS tape, and  
 11 you would be able to record.

12 Q. Are you aware of any video recording for  
 13 May 17th, 2007 that would show Maricela Trevino in the  
 14 booking area?

15 A. No. The process for that was -- at the time.  
 16 We now have a system that records all. It was just that  
 17 one camera, and when you -- the trooper would come in or  
 18 the officer would come in, they would call up, put in a  
 19 tape, start recording. You would read the DWI statutory  
 20 warning, and then you would go through that. It was --

21 Q. Okay.

22 A. -- only recording for the prosecution of  
 23 intoxication --

24 Q. For very specific purposes of having someone  
 25 who is --

Page 131

1 A. DWI.

2 Q. -- DWI. Okay.

3 THE VIDEOGRAPHER: Five minutes.

4 Q. Five minutes. So it is safe to say, would I be  
 5 correct, that you have never seen a video recording of  
 6 Maricela Trevino for the evening of May 17th, 2007?

7 A. No.

8 Q. Are you aware of one existing?

9 A. No.

10 Q. Okay. Now, the dispatcher -- I took the  
 11 deposition of Dispatcher Ferrer yesterday, and I asked  
 12 him about audio capabilities. And he said that whenever  
 13 there is a call made by a police officer, either on  
 14 their portable radio --

15 A. Uh-huh.

16 Q. -- or on their patrol unit, when they call  
 17 dispatch, that that conversation or that call is being  
 18 recorded. Was that true on May 17th, 2007?

19 A. I don't have access to that system, but it is  
 20 my understanding that radio transmission calls are  
 21 recorded.

22 Q. Okay. So if I look at the calls that were made  
 23 between the police officers and dispatch during the  
 24 evening of May 17th, 2007, it is your understanding that  
 25 those calls, the communications from the dispatch to the

Page 132

1 officers and from the officers to dispatch, that they  
 2 were recorded on that date, that there was recordings?

3 MS. KENNAMER: Objection, form.

4 A. I don't know if there are recordings.

5 Q. Okay.

6 A. I know that -- it is my understanding that all  
 7 radio transmissions on the primary radio channel the  
 8 department has the capability of recording those on one  
 9 of the computers.

10 Q. Have you ever heard any recording from  
 11 May 17th, 2007?

12 A. Any recording?

13 Q. Any recording that concerned Maricela Trevino.

14 A. Yes.

15 Q. Okay. And that is a recording -- how many  
 16 recordings are there?

17 A. I don't know if it was one or two.

18 Q. Okay. And when did you first hear these  
 19 recordings?

20 A. At some point after the incident.

21 Q. Okay.

22 A. I can't be --

23 Q. How many days after the incident, or was it on  
 24 the day of the incident?

25 A. No. It was well after. During the

Page 133

1 investigation at some point.

2 Q. Okay. And there were two recordings on -- on  
 3 those two recordings --

4 A. It was one or two.

5 Q. One or two?

6 A. Yeah.

7 Q. Okay. And where did you go to hear these  
 8 recordings?

9 A. I don't recall. I believe it was on a disk.

10 Q. Who else heard the recordings with you?

11 A. It may have been the chief.

12 Q. Besides the chief, are you aware of any other  
 13 employee of the Weslaco Police Department being privy to  
 14 these recordings?

15 A. No.

16 Q. Okay. So just you and the chief?

17 A. And I would assume the investigator.

18 Q. And who was the investigator assigned to the  
 19 Maricela Trevino suicide?

20 A. I am not sure. Captain Vallejo was in charge  
 21 of criminal investigations division at the time, and  
 22 anything that is being investigated, whether it is an  
 23 incident like this or a criminal investigation, it will  
 24 be handled by the criminal investigations division.

25 Q. Okay. On these recordings, who did -- these

34 (Pages 130 to 133)

Hill & Romero  
 Certified Court Reporters

1 recordings, the voices, who did you -- did you hear the  
 2 voice of Maricela Trevino on either one of these  
 3 recordings?

4 A. I heard a female's voice.

5 Q. Okay. Tell me what you recall her saying.

6 A. Not much as far as detail. I believe it was  
 7 with -- somebody answered the phone and then called for  
 8 somebody else, and then I think it was -- it might have  
 9 been her mom. She had a conversation, and then I  
 10 believe the other was with a male.

11 Q. Okay. And these are -- these recordings are of  
 12 Maricela Trevino using the phone at the booking counter  
 13 or booking area?

14 A. I believe so.

15 Q. Okay:

16 A. I believe it was, yeah, a telephone.

17 Q. Okay. I was asking you about recordings of the  
 18 radio transmissions.

19 A. Oh.

20 Q. Have -- have you ever -- have you heard any  
 21 radio transmission recording from May 17th, 2007?

22 A. No.

23 Q. Okay.

24 THE VIDEOGRAPHER: One minute.

25 MR. RUIZ: Okay. We are going to take a

1 break so he can change.

2 (Off the record)

3 Q. Lieutenant Walensky, who was responsible at the  
 4 City of Weslaco Police Department for drafting the jail  
 5 and detention procedures and the policies contained in  
 6 these procedures here in Exhibit No. 1?

7 A. That was myself.

8 Q. Yourself. And when you -- since being assigned  
 9 to the position of jail commander in 2005, between 2005  
 10 and 2007, were you involved in the drafting or amending  
 11 of this document during that time frame?

12 A. Yes. The -- the one that we had was outdated,  
 13 and this is the one that I presented to the chief of  
 14 police.

15 Q. Okay. And what did you rely on in formulating  
 16 the jail and detention procedures that we have here as  
 17 shown in Exhibit No. 1?

18 A. Actually much of this comes from the McAllen  
 19 Police Department.

20 Q. Okay. And -- okay. And did you -- who  
 21 assisted you with the drafting of these jail and  
 22 detention procedures?

23 A. Mainly myself.

24 Q. Okay. And you looked at the McAllen Police  
 25 Department jail and detention procedures that were in

1 effect back in 2005?

2 A. Correct.

3 Q. Okay. Did any of those procedures that the  
 4 City of McAllen had, did they -- did they address  
 5 special considerations at intake?

6 A. I don't recall.

7 Q. Did -- okay. Well, did the -- do you recall  
 8 seeing from the McAllen jail and detention procedures  
 9 special considerations for suicide attempts or  
 10 statements about suicide?

11 A. I don't recall.

12 Q. Okay. Okay. Let's continue with this section  
 13 C under -- on page two of Exhibit No. 1. Under Roman  
 14 Numeral III, responsibilities of personnel, C, jailers  
 15 back in -- back in May of 2007, the responsibilities of  
 16 jailers included, one, "Control access and egress to and  
 17 from the jail area." Did I read that correctly?

18 A. Yes.

19 Q. Two, "Screen citizens prior to visitation with  
 20 metal detector and ensure noncontact visitation." Did I  
 21 read that correctly?

22 A. Yes.

23 Q. Three, "Ensure that dispatcher maintains visual  
 24 observation of destructive or violent inmates via the  
 25 video system in dispatch." Did I read that correctly?

A. Yes.

Q. In May of 2007, specifically on May 17th, 2007,  
 could Jailer Moreno during his evening shift, could --  
 did he have video access to the cells in the jail?

A. No.

Q. The only persons that had access to -- video  
 access to the cells were in dispatch; is that correct?

A. Yes.

Q. And that would have been Jose Ferrer, Lydia  
 Olalde, and I believe Jesus Garza?

A. I don't know.

Q. Okay. Who do you know for sure?

A. I don't. I don't know what the -- who the  
 dispatchers were on duty at that time.

Q. Okay. And so in May of 2007, May 17th, 2007,  
 in order for a jailer to monitor the detainees, he  
 needed to walk over to each individual cell and check in  
 and observe the detainee. Would that be correct?

A. Yes.

Q. That would be the only way to supervise and  
 monitor detainees back in May of 2007 by the jailer?

A. Unless he went to dispatch.

Q. And looked at the cameras?

A. (Moving head up and down)

Q. Okay. Was that common for them -- did they do

Page 138

Page 140

1 that?

2 A. No. The chief did not like that, but did they  
 3 go up there and converse with the dispatchers and have  
 4 the ability to see on the screens, yes --

5 Q. Okay.

6 A. -- if they had to pick up paperwork from them.  
 7 Oftentimes to complete the officer's report, they would  
 8 go up, pick up some of that paperwork right straight  
 9 down the hallway, and then back in to complete their  
 10 booking information.

11 Q. Okay. Thank you. Would that count as -- as a  
 12 check on the detainees, going to dispatch?

13 A. I would say no.

14 Q. Okay.

15 A. And it wouldn't -- not even that often.

16 Q. Okay.

17 A. In fact, walking past all the cells on your way  
 18 to dispatch would kind of defeat that purpose.

19 Q. Okay. Thank you. And it says here for number  
 20 three that the jailer needs to, "Ensure that dispatcher  
 21 maintains visual observation of destructive or violent  
 22 inmates." Destructive, is that self-destructive, you  
 23 know, self-injury, inmates who may injure themselves?

24 A. No. That is inmates who would be in there to  
 25 take wet toilet paper to block the view of the camera,

Page 139

Page 141

1 to try to tear the commode out of the floor, to pull the  
 2 mattress off the bedding and tear it apart.

3 Q. Okay. The jailer under number four is also  
 4 responsible for storing and -- jailers must also store  
 5 and account for inmate personal property during their  
 6 incarceration. Did I read that correctly?

7 A. Yes.

8 Q. Okay. The jailer would also meet arresting  
 9 officer at the prisoner drop off for reception of the  
 10 prisoner. Did I read that correctly?

11 A. Yes.

12 Q. Jailer would process and conduct booking  
 13 procedures as identified in this policy or as required.  
 14 Did I read that correctly?

15 A. You are on number six?

16 Q. Yes, sir.

17 A. Okay. It didn't say jailer.

18 Q. Oh, I am sorry. I will read it again.

19 A. It just says, processes and conducts -- this  
 20 all falling under jailer.

21 Q. Right.

22 A. "Processes and conducts booking procedures as  
 23 identified in the policy or as required," yes.

24 Q. Okay. And the booking procedures that this  
 25 line references would be on what page of this exhibit?

1 A. Booking procedures.

2 Q. On 467?

3 A. Correct.

4 Q. Okay. And on 467 the only written policy  
 5 concerning the jailers' treatment of individuals  
 6 suffering from mental health illness and who may present  
 7 a danger to themselves is contained in number four of  
 8 the booking procedures. Correct?

9 A. Correct.

10 Q. And right above -- right above the -- that last  
 11 sentence in number four, do you see where it says, "No  
 12 inmate will be denied medical attention," and that is  
 13 underlined for emphasis?

14 A. Correct.

15 Q. Okay. And you decided to include that section  
 16 when you drafted these detention --

17 A. Yes.

18 Q. And why is that, Lieutenant Walensky?

19 A. Even though an inmate's complaint of an ache,  
 20 illness, injury may not be able to be substantiated, it  
 21 is not for the jailer to take it upon themselves. They  
 22 are to contact EMS.

23 Q. Okay. And so as you wrote this -- as you  
 24 drafted these procedures and policies, these jail  
 25 detention procedures and policies, under that sentence,

Page 139

1 "No inmate will be denied medical intention," was it  
 2 your intent to also include mental health and  
 3 psychological or psychiatric attention?

4 A. My intent was just what is written. They are  
 5 not to be denied medical attention.

6 Q. And so a fair interpretation of that statement,  
 7 can it also be no inmate will be denied mental health  
 8 attention?

9 MS. KENNAMER: Objection, form.

10 A. All I can attest to is what I put in here, "No  
 11 inmate will be denied medical attention."

12 Q. Okay.

13 A. And then the following sentence refers to  
 14 issues with mental health.

15 Q. So when you meant -- when you wrote medical  
 16 attention as shown in this section VII, booking  
 17 procedures, number four, you did not intend to include  
 18 mental health care or mental health treatment or  
 19 psychological or psychiatric treatment under the term  
 20 medical attention; is that correct?

21 A. I intended it to mean medical attention, and  
 22 then I addressed the possible need for mental health  
 23 attention after.

24 Q. Okay. So the line that is underlined  
 25 emphasizes only -- its only purpose is to make it clear

36 (Pages 138 to 141)

Hill & Romero  
 Certified Court Reporters

Page 142

1 that the detainees at the Weslaco Police Department jail  
 2 will not be denied medical attention. It does not  
 3 include mental health or psychiatric --

4 A. Any medical attention --

5 Q. Well --

6 A. -- and that could be any medical attention.

7 Q. So would that include mental health care? Yes  
 8 or no?

9 MS. KENNAMER: Objection, form.

10 Q. You are the one who drafted it.

11 A. Open to interpretation. If you feel it needs  
 12 to be so, yes. The mental health aspect was addressed  
 13 in the sentence right after that. That is to be a call  
 14 and judgment made by the supervisor. But as far as  
 15 medical, I don't know any other way -- it is what it is,  
 16 I guess.

17 Q. Okay. Well, but don't you want to be clear  
 18 about the policies and procedures that you have when you  
 19 have someone's health at issue?

20 A. Right. If I --

21 MS. KENNAMER: Objection, form.

22 A. If I wanted to be as clear as I wanted to be,  
 23 sir, this document would be 300 pages long --

24 Q. Okay.

25 A. -- and it still wouldn't suffice.

Page 143

1 Q. Okay. And I just -- but you said it would be  
 2 subject to interpretation. Correct?

3 A. Medical to somebody may mean medical to  
 4 somebody else. Expansive, but medical attention is  
 5 medical attention. If they have a pain, an ache --

6 Q. Physiological pain. You mean a physiological  
 7 injury?

8 A. Any request for medical attention is not going  
 9 to be denied is what I meant.

10 Q. Okay.

11 A. And I think that carries through as you read  
 12 it. Medical attention will not be denied.

13 Q. And all I want to know is, did you -- did you  
 14 intend to include mental health care under that -- in  
 15 that sentence where it says, no inmate will be denied  
 16 medical attention, including mental health care? Did  
 17 you intend that?

18 A. I meant it to intend as followed up, "Inmates  
 19 requiring medical attention will be seen by EMS and  
 20 treated accordingly." And as a finality to that, "No  
 21 inmate will be denied medical attention."

22 Q. Okay.

23 A. Now, EMS don't provide mental health attention.

24 Q. That is what was going to be my next question.

25 Okay. So EMS only addresses physiological --

Page 144

1 A. Right.

2 Q. -- medical care?

3 A. And the mental issues covered under, "Subjects  
 4 believed to be suffering from mental illness and  
 5 presenting a danger to themselves or others will be  
 6 evaluated by a supervisor for possible 26."

7 Q. Okay. So that -- so I am clear, let me just  
 8 ask you a question about the second part concerning the  
 9 mental illness aspect to it. Okay?

10 A. Okay.

11 Q. When it says here, "Subjects believed to be  
 12 suffering from mental illness and presenting a danger to  
 13 themselves or others will be evaluated by a supervisor  
 14 for possible section 26," that is the part of the  
 15 booking procedures that addresses mental illness.  
 16 Correct?

17 A. Yes.

18 Q. That is the only part -- that is the only  
 19 section in the booking procedure that addresses mental  
 20 health care. Correct?

21 A. Correct.

22 Q. And that decision rests with the jailer?

23 A. (Moving head up and down)

24 Q. Is that a yes?

25 A. Yes. I am sorry.

Page 145

1 Q. The shift supervisor?

2 A. Yes.

3 Q. Okay. Anyone else, Lieutenant Walensky?

4 A. Those personnel that are in contact with her,  
 5 which would be the jailer.

6 Q. Okay. Now, the original policy where we were  
 7 looking at on the second page --

8 A. Back on 460?

9 Q. Yes, sir. On 460 said, or as required. What  
 10 does that mean, or as required?

11 A. Or as required. If an order is given, look, we  
 12 need to do this. If it is a memo distributed that says,  
 13 hey, we need to -- it could be something regarding one  
 14 person. What -- what this is meant to include is,  
 15 "Processes and conducts booking procedures as identified  
 16 in this policy or as required." The Hidalgo County  
 17 Sheriff's office requires that you fill out their  
 18 booking form to be sent over there. So it is not  
 19 necessarily the policy of the Weslaco Police Department  
 20 to do the Hidalgo County Sheriff's Office booking form,  
 21 however --

22 Q. Okay.

23 A. -- you are not going to be well received at the  
 24 Hidalgo County Sheriff's Office unless you have filled  
 25 out their form for processing into their facility.

37 (Pages 142 to 145)

Hill & Romero

1 Q. Okay. I understand.

2 A. That is a requirement they have. Just things  
3 like that, for an example.

4 Q. Okay. And so as part of the documents or forms  
5 that are filled out by the jailers --

6 A. Uh-huh.

7 Q. -- they would include at times the Hidalgo  
8 County Sheriff's booking form?

9 A. Yes. If it was for a Class B misdemeanor or  
10 above, this person being transported on to the Hidalgo  
11 County Sheriff's office after arraignment.

12 Q. So it is Class B and above?

13 A. Yes.

14 Q. Okay. And if it is a Class C, that would  
15 require the jailer to complete a Weslaco Police  
16 Department booking sheet or form?

17 A. Okay. Let me back up with you. Anybody that  
18 gets arrested by the Weslaco Police Department is still  
19 going to have a booking process done, period, regardless  
20 for what --

21 Q. Okay.

22 A. -- offense. C, B, A, felony, it doesn't  
23 matter.

24 Q. Okay.

25 A. If it is a Class B or above, you will also do a

1 it is something they can take and just plug in without  
2 having to do -- going through the whole thing when --

3 Q. Okay.

4 A. -- we are booking them anyway.

5 Q. Got it. I understand. And while we are on the  
6 topic of booking, what was the -- can you articulate  
7 what the intake procedure that was in place in -- on May  
8 17th, 2007?

9 A. Do you want me to read down through this?

10 Q. What page are you on, sir?

11 A. It is 467, booking procedures.

12 Q. And these procedures, are they step by step --  
13 the steps that the jailer would have to take every time  
14 he would book a detainee?

15 A. Yes.

16 Q. Okay. Go ahead, sir.

17 A. Booking procedures as listed in article VII,  
18 section A, subsection one, "Meet the  
19 arresting/transporting officer, help secure the incoming  
20 inmate and provide a holding cell if necessary." Two,  
21 "Search the inmate. Place all property on the booking  
22 counter. Inmate or inmates should remain handcuffed  
23 during the process. Pat down on same sex inmates only."  
24 Subsection two, being A, "Give located weapons or  
25 contraband immediately to the arresting/transporting

1 booking report as designed and accepted for by the  
2 Hidalgo County Sheriff's office. So we have our booking  
3 procedures. Yet, if it is somebody that is going to be  
4 transported to the sheriff's office, they require as  
5 part of the arraignment packet and all the paperwork you  
6 deliver up there, something that their department  
7 requires on a form that is authorized by that  
8 department. So that is the or as required that you were  
9 referring to.

10 Q. I -- I got it.

11 A. It is not required by our department, but it is  
12 required by Hidalgo County Sheriff's Office to intake a  
13 prisoner that has been arraigned in our jurisdiction for  
14 a crime committed in our jurisdiction into their  
15 facility.

16 Q. Okay. And if it is a Class C misdemeanor, it  
17 would -- that would only require the Hidalgo County --

18 A. (Shaking head from side to side)

19 Q. I mean, a Class C misdemeanor would require  
20 only the Weslaco Police Department booking sheet  
21 information?

22 A. Correct.

23 Q. Class B misdemeanors and above would require an  
24 additional -- the Hidalgo County-approved or --

25 A. Yes. Basically it is their booking sheet, but

1 officer for disposition."

2 Q. Lieutenant, before you go on, can I interrupt  
3 you real quick --

4 A. Sure.

5 Q. -- and go back to that number two, the section  
6 that is underlined where it says, "Pat down on same sex  
7 inmates only"?

8 A. Yes.

9 Q. Okay. What would happen when you have an  
10 inmate of the opposite sex? What was the policy there?

11 A. At that time, try to get a female officer. If  
12 it is a male arresting officer with a female suspect,  
13 try to get a female officer. However, at this time, we  
14 didn't have any female jailers, and on the road we  
15 had --

16 Q. You are talking about May 17th, 2007?

17 A. Yes.

18 Q. There were no female jailers employed at all.  
19 Correct?

20 A. I don't believe so.

21 Q. Okay. And during the evening shift on  
22 May 17th, 2007, the only jailer that was on duty was a  
23 male, correct, Alfredo Moreno?

24 A. That is correct.

25 Q. Okay. When faced with a female detainee, what

Page 150

1 should he have done when coming in contact with Maricela  
 2 Trevino?

3       A. Well, unfortunately there are times when there  
 4 is just not a female on duty. We do have metal  
 5 detection devices to scan for weapons, which are  
 6 predominantly metallic. You ask the female to remove  
 7 all property from their clothing, place it up on the  
 8 booking counter, and go through the process, remove  
 9 their shoes.

10     If you do have reason to believe that they  
 11 do have a weapon on them, you have the option of using a  
 12 scanning device or you can attempt to have a female  
 13 officer come in, if you have one on duty or one  
 14 available to come in and actually do a pat down, if you  
 15 believe that there is contraband.

16     Q. Okay. And what office -- strike that. What  
 17 Jailer Moreno did, he did not contact a female officer  
 18 to assist him with the pat down of Maricela Trevino on  
 19 May 17th, 2007. Correct?

20     A. I don't know.

21     Q. Okay. Do you know whether he did a pat down on  
 22 Maricela Trevino on that day?

23     A. I don't know.

24     Q. Okay. I guess I can show you his affidavit.  
 25 We will get to that. But if the -- and if -- okay.

Page 151

1 Well, let's take that example. On May 17th, 2007, there  
 2 is no female jailer and there are no female police  
 3 officers on duty. What is Jailer Moreno to do with a  
 4 female like Maricela Trevino who he has to book --

5       A. Okay.

6       Q. -- with respect to pat downs?

7       A. If he has a reason to believe that there is  
 8 still further -- or any contraband to be found, a  
 9 variety of things. You can empty your pockets, extend  
 10 them outwards, make sure there is no property. You can  
 11 do a visual inspection. If you had to, and really it  
 12 wasn't -- the chief of police didn't care much for it,  
 13 but a female dispatcher. However, that was -- they  
 14 didn't want any -- and that is actually a violation of  
 15 our policy to have anybody unauthorized in the booking  
 16 area.

17     Q. Okay. So there was a policy back in May 17th,  
 18 2007 from the chief of police, Chief Martinez --

19       A. (Moving head side to side)

20       Q. No?

21       A. No.

22       Q. What was that policy?

23       A. It is not a policy. He just -- it was stated  
 24 he did not want civilian staff in the booking area, and  
 25 the policy says no unauthorized personnel to be in the

Page 152

1 booking area.

2       Q. Okay. Where is -- let's talk about the written  
 3 policy.

4       A. If you will look to 0461.

5       Q. Yes, sir. I am there.

6       A. Under jail security, V, "Only authorized  
 7 persons are allowed inside the jail facility. It will  
 8 be generally limited to inmates and essential  
 9 personnel."

10     Q. Okay. So dispatchers, according to this  
 11 policy, are not authorized persons inside the jail  
 12 facility according to Chief Martinez's verbal policy.  
 13 Correct?

14     A. Yes. And this policy.

15     Q. Okay.

16     A. And if I can read it?

17     Q. Sure. Go ahead.

18     A. "This includes jailers, police officers and  
 19 other law enforcement personnel from other agencies on  
 20 or for other legitimate reasons. Civilians will not be  
 21 allowed inside the jail facility except for approved  
 22 visitation, legal counsel, and search of a female  
 23 prisoner or other legitimate reason as approved by the  
 24 jailer or supervisor on duty." Again it was the chief's  
 25 expression that he did not want -- they have their

Page 153

1 duties up there and did not want them in the jail  
 2 facility.

3       Q. And his policy would rule out this section  
 4 right here that would allow -- would cancel out this  
 5 section that would allow a female or a civilian from  
 6 searching a female prisoner. Correct?

7       A. And it had its -- you have somebody who has not  
 8 experienced the jail setting and how things are done and  
 9 how to conduct a pat down to come back and do that.  
 10 Now, if it is a weapon, as is with police officers out  
 11 on the road, if you discover what appears to be a weapon  
 12 on a female, a male police officer has every right to  
 13 remove that --

14       Q. On the female?

15       A. -- under those circumstances, yes.

16       Q. Out on the field. Okay.

17       A. Anywhere actually, and especially in the jail  
 18 setting.

19       Q. Okay. So Chief Martinez had a policy that  
 20 prevented female civilians, in this case, dispatchers --

21       A. Not a written policy.

22       Q. Stated?

23       A. (Moving head up and down)

24       Q. Verbal policy that would prohibit these female  
 25 dispatchers from assisting the jailer --

1 A. He did not --	1 A. My experience is they hide it other places, but
2 Q. -- with the pat down of a female prisoner; is	2 it could be.
3 that correct?	3 Q. Okay. Thank you. Well, because -- and the
4 A. Yes. He did not want the dispatchers to be in	4 reason I was asking, the booking procedure, number two,
5 the jail conducting pat down.	5 says, "Search the inmate," period. Right?
6 Q. Okay. Thank you. And so if -- what page were	6 A. Uh-huh.
7 we on when we were reading the booking? Oh, 467.	7 Q. And in this instance, Jailer Moreno did not
8 A. Yes.	8 search Ms. Trevino?
9 Q. So would have -- Jailer Moreno, would he have	9 MS. KENNAMER: Objection, form.
10 committed an offense by not patting down Maricela	10 A. I would disagree.
11 Trevino on May 17th, 2007?	11 Q. He did search her?
12 A. An offense?	12 A. He may have.
13 Q. Uh-huh. Would he have violated a policy?	13 Q. If he says that he asked her to take stuff out

1       shoelaces?

2       A. Very possible.

3       Q. Could they also use shoelaces to hang  
4       themselves and injure themselves?

5       A. They can use a lot of things to hang or injure  
6       themselves, yes.

7       Q. Okay. Go ahead, sir.

8       A. Three, "Inventory the inmate's property, have  
9       him/her sign for the property and secure in a property  
10      bag in the presence of the inmate and staple shut.  
11      Jailer will also sign the booking card indicating he/she  
12      confirmed the contents."

13      Q. Can I stop you right there real quick?

14      A. Sure.

15      Q. These steps one, two, and three that we have  
16      gone through right now --

17      A. Yes.

18      Q. -- are these -- do these steps have to be taken  
19      before placing the detainee inside a jail cell?

20      A. No.

21      Q. Okay. Go ahead, sir.

22      A. Four, "Complete the booking card and  
23      arrest/detention report fields accordingly. Complete  
24      the medical questionnaire (WPD-23) as well. Inmates  
25      requiring medical attention will be seen by EMS and

1       Q. And in order to complete the booking card and  
2       the medical questionnaire, the jailer would have to  
3       communicate and talk to the detainee?

4       A. Yes.

5       Q. Ask questions?

6       A. Unless they just outright refuse.

7       Q. And in that event, they can write something on  
8       those documents that say, detainee refused to answer.  
9       Would that be the proper procedure?

10      A. That would be the best thing to do.

11      Q. Okay. Would that be the policy of the City of  
12      Weslaco Police Department?

13      A. Would it be the policy to write that in there?

14      Only if that is included in this, which it is not.

15      Would it be a good idea? Yes.

16      Q. Okay. What would you require them, if there is  
17      an instance where a -- something is not applicable to a  
18      detainee? What should they write on the card?

19      A. Put a line through it, something indicating it  
20      is not applicable.

21      Q. And are they trained to do that?

22      A. No.

23      Q. Okay.

24      A. That is not a requirement under these booking  
25      procedures.

1       treated accordingly. No inmate will be denied medical  
2       attention. Subjects believed to be suffering from  
3       mental illness and presenting a danger to themselves or  
4       others will be evaluated by a supervisor for possible  
5       section 26."

6       Q. Quick question here, Lieutenant --

7       A. Uh-huh.

8       Q. -- Walensky. Number four, the part that reads  
9       "Complete the booking card and arrest/detention report  
10      fields accordingly. Complete the medical questionnaire  
11      (WPD-23) as well," when it says complete, should there  
12      be any blanks left on either the booking card and  
13      arrest/detention report or the medical questionnaire?

14      A. Only if they are nonapplicable, but it should  
15      be completed.

16      Q. It should be completed 100 percent of the time?

17      A. Yes.

18      Q. Every time?

19      A. Yes.

20      Q. There is no -- the jailer has no discretion.  
21      It is his duty to complete that booking card and  
22      arrest/detention report and all of the fields contained  
23      in it as well as the fields in the medical  
24      questionnaire. I just need to be clear on that.

25      A. That are applicable, yes.

1       Q. Okay. But we can say with 100 percent  
2       certainty that they were required to completely fill out  
3       100 percent all the fields in the booking card,  
4       detention reports, and the medical questionnaire WPD-23.  
5       Am I correct?

6       A. Complete the booking card and arrest/detention  
7       report fields accordingly. Medical attention, on and  
8       on. Yes.

9       Q. Okay. Go ahead, sir.

10      A. I believe we are at number five?

11      Q. Yes, sir.

12      A. "Ensure the arresting/transferring officer has  
13      provided all specific charges for the inmate to be  
14      booked in. One inmate will be booked in per  
15      jailer/officer. Pending bookings will be searched,  
16      property inventoried and secured in a holding cell  
17      pending the booking process."

18      Q. Okay. Let me stop you right there. Does  
19      step -- does number four that we just -- that we just  
20      discussed, does that have to be -- does that have to  
21      take place before -- does that have to be done before  
22      placing the detainee inside a jail cell?

23      A. No.

24      Q. Okay.

25      A. And let me add to this. In a perfect world, it

Page 162

1 would go in somewhat this order. However, you get  
 2 somebody arrested and bring them into the facility and  
 3 they want to be noncooperative, a lot of times you are  
 4 going to secure their property from them and secure them  
 5 in a cell until -- and most times they sober up --

6 Q. Okay.

7 A. -- or they are not as combative as they were,  
 8 or some people you get in there and they are just  
 9 argumentative, accusatory, they are screaming things at  
 10 you, and a couple of hours later after they have calmed  
 11 down, more often than not, you bring them out and  
 12 continue that booking process.

13 Q. And if it is -- if it is one of these  
 14 situations where they are combative or if they are  
 15 intoxicated, should the jailer write something down on  
 16 the booking card that reflects that, combative?

17 A. That is --

18 Q. It doesn't --

19 A. That is day to day.

20 Q. Okay. The medical questionnaire, combative,  
 21 intoxicated, wasn't able to answer any of the questions,  
 22 should they -- was there a requirement that they write  
 23 something on these documents, on these forms that says  
 24 that they tried to complete it but they -- but they were  
 25 unable to because of these circumstances?

Page 163

1 A. No. Because it is not a finality. The person  
 2 is still in custody.

3 Q. Okay.

4 A. If for whatever reason they don't want to give  
 5 the information, they are not cooperating for whatever  
 6 reason, you have all of that time that they are still in  
 7 custody waiting to be arraigned by a magistrate to get  
 8 that information.

9 Q. Okay.

10 A. Some people don't get fingerprinted until the  
 11 following morning, however, they were arrested at  
 12 11:00 p.m.

13 Q. Okay.

14 A. And he was very agitated, he was very  
 15 intoxicated, he was noncooperative. A lot of times, you  
 16 will be surprised, six hours later it is a totally  
 17 different person you are talking with.

18 Q. Okay. So when they sober up, then is there a  
 19 requirement --

20 A. Sober up, calm down, rationalize things.

21 Q. Okay. But at that point, when those things  
 22 happen, then do these policies require the jailer to go  
 23 back and try to satisfy this number four by completing  
 24 the booking card and the arrest/detention report fields  
 25 accordingly and complete the medical questionnaire?

Page 164

1 A. Yes. Prior to that person being released or  
 2 magistrated --

3 Q. Okay.

4 A. -- yes.

5 Q. That -- those documents need to be completed  
 6 before that inmate is released?

7 A. Yes.

8 Q. Would that be a fair statement?

9 A. Yes.

10 Q. 100 percent of the time every time?

11 A. Yes.

12 Q. Okay. Now, let's --

13 A. To the best of that person's cooperation.

14 Sometimes you are going to get people who just they are  
 15 not going to give you anything.

16 Q. Okay.

17 A. But there is applicable charges for that as  
 18 well.

19 MR. RUIZ: Could you give me a second to  
 20 locate those forms myself here? Let's take a quick  
 21 break, Alison.

22 MS. KENNAMER: Sure.

23 (Off the record)

24 Q. Lieutenant Walensky, we have taken a short  
 25 break, and I want to ask you some questions concerning

Page 165

1 the types of forms or cards that are referenced in that  
 2 number four under A, booking procedures. I am going to  
 3 hand you Exhibits 2 through 10.

4 A. Okay.

5 Q. And if you could please take a look at those,  
 6 sir.

7 A. Yes, sir.

8 Q. Okay. Based on what you reviewed, these  
 9 Exhibits 2 through 10, if I can direct your attention to  
 10 section four of the booking procedures, under A, booking  
 11 procedures.

12 A. Yes, sir.

13 Q. It says, "Complete the booking card." Can you  
 14 show me which exhibit you have that is the booking card  
 15 that is referenced by this Exhibit 4?

16 A. Okay. You have what appears to be an example  
 17 on Exhibit No. 5.

18 Q. Okay. Could you show it to the jury, please?

19 A. Yes. This is Exhibit 5 indicating the Weslaco  
 20 Police Department jail card.

21 Q. Oh, okay. That is refer -- that is the --  
 22 referred to as the booking card in -- under section four  
 23 of the booking procedures. Correct?

24 A. That is correct.

25 Q. And all of the fields in Exhibit No. 5 need to

42 (Pages 162 to 165)

Hill & Romero  
 Certified Court Reporters

1 be completed by a jailer during the booking of a  
 2 detainee. Correct?  
 3 A. Yes.  
 4 Q. Okay. And you said that it was -- you have to  
 5 fill out all of that 100 percent of the time every time?  
 6 A. Well, I am going to point out my observations  
 7 here.  
 8 Q. Sure.  
 9 A. And I understand this is a less than legible  
 10 copy.  
 11 Q. I have got one over here, sir.  
 12 A. Okay. There up at the top is a color code --  
 13 Q. Okay.  
 14 A. -- or a legend, if you will, indicating if  
 15 applicable, yellow necessary -- green if applicable,  
 16 yellow if necessary, and orange leave blank.  
 17 Q. Orange -- orange it says leave blank?  
 18 A. Yes.  
 19 Q. And let me hand you -- let me hand you a pen.  
 20 A. Okay.  
 21 Q. If you could clarify what those words are. You  
 22 could write -- you can write on that Exhibit No. 5 and  
 23 mark those words. It is okay.  
 24 A. Okay. Actually they are here. Up at the top  
 25 where -- you can see the green if applicable.

1 Because the bottom part addresses property, and I think  
 2 the one you have -- you have shown us on Exhibit No. 5  
 3 addresses a medical questionnaire.  
 4 A. Correct.  
 5 Q. Okay.  
 6 A. The medical questionnaire on Exhibit 5, on the  
 7 bottom portion --  
 8 Q. Uh-huh.  
 9 A. -- would actually be an attachment to the  
 10 one-piece booking card, two-sided.  
 11 Q. Okay. So Exhibit No. 9 is the actual one --  
 12 one-document booking card?  
 13 A. Right. If you would fold it over, that is --  
 14 that is the approximate size of the original booking  
 15 card.  
 16 Q. Okay.  
 17 A. And when you turn it over, that would be the  
 18 back of the booking card.  
 19 Q. Okay. And the front of the booking card, does  
 20 it have -- if we take a look at Exhibit No. 9, are there  
 21 any areas in the front of Exhibit No. 9 that are  
 22 necessary, that have to be completed by the jailer?  
 23 A. Yes. As indicated in Exhibit 5, necessary  
 24 would be name, address, date of birth, height, and the  
 25 applicable charges here.

1 Q. All right.  
 2 A. In yellow necessary.  
 3 Q. Okay. Necessary.  
 4 A. And the color orange next to leave blank.  
 5 Q. Okay. So everything in yellow needs to be  
 6 completed 100 percent of the time every time?  
 7 A. In yellow, yes, necessary information.  
 8 Q. Okay. Green if applicable. That is the top  
 9 one?  
 10 A. Correct.  
 11 MR. RUIZ: Okay. Can you zoom in on that?  
 12 Q. And you have seen this -- you have seen this --  
 13 A. Booking card.  
 14 Q. -- booking card before. Right?  
 15 A. Yes, sir.  
 16 Q. Okay. And the booking card is comprised of two  
 17 sections. Would that be fair?  
 18 A. Actually this is the front of the booking card.  
 19 Q. Okay.  
 20 A. And on Exhibit 9, you will see a blank booking  
 21 card front right here on the top, and this scan, albeit  
 22 sideways, is the reverse of the booking card or the  
 23 backside of the booking card.  
 24 Q. Okay. Now, is that -- that booking card is  
 25 different from the one you are holding, though. Right?

1 Q. Okay.  
 2 A. Date of arrest.  
 3 Q. Okay.  
 4 A. Those are all appearing to be in the yellow.  
 5 Time of arrest, location of arrest, and the rest of the  
 6 descriptors up here, which would be actual available  
 7 information or not necessarily -- not everybody that is  
 8 arrested has ID.  
 9 Q. Okay.  
 10 A. But this identifies the arrested person on this  
 11 booking card to the best of the jailer's ability.  
 12 Q. And this was a requirement back on May 17th,  
 13 2007?  
 14 A. That is correct.  
 15 Q. Okay. And on the -- the only area that I  
 16 see leave -- that says leave blank would be the release  
 17 boxes?  
 18 A. Date of release, time of release, and time  
 19 served.  
 20 Q. Because you wouldn't know at that point,  
 21 because the person is just being admitted. Right?  
 22 A. That's correct.  
 23 Q. Okay. Now, the back part of it, I don't -- are  
 24 there any -- I don't have a color copy of that one, but  
 25 what -- are there -- what are the color codes for the

Page 170

1 back part of Exhibit 9?  
 2 A. Whatever would be applicable.  
 3 Q. Okay.  
 4 A. If they did or did not have currency, change,  
 5 checks, wallet, so on.  
 6 Q. So most of it is in green. Correct?  
 7 A. Yes.  
 8 Q. And does the jailer have to sign every time,  
 9 though? Is that a necessary?  
 10 A. As you look at Exhibit 9, which would be the  
 11 back of the booking card, signature of prisoner.  
 12 Basically what this is is the signature of the prisoner,  
 13 if they are cooperative, acknowledging that the jailer  
 14 has taken possession of their personal property  
 15 consisting of any of the items listed here and/or other  
 16 property that they may have that is not listed up  
 17 here --  
 18 Q. Okay.  
 19 A. -- which are common things that people have in  
 20 their possession.  
 21 Q. And this would be -- if we are looking at  
 22 section four, this would be the booking card. Correct?  
 23 A. That is correct.  
 24 Q. Is there another document called an arrest and  
 25 detention report?

Page 171

1 A. There is.  
 2 Q. Okay.  
 3 A. But they are none of the exhibits I have here  
 4 in front of me.  
 5 Q. Okay.  
 6 A. DPS blank --  
 7 Q. Those are the only -- well, those are the color  
 8 ones that I -- that I have. Is this a -- the arrest and  
 9 detention report, is that a Weslaco PD document?  
 10 A. Yes, it is.  
 11 Q. Okay.  
 12 A. It is a full-page form much like the booking  
 13 card on the top portion. And if you want me to, I can  
 14 refer back to the Exhibit 5 --  
 15 Q. Okay.  
 16 A. -- of the booking card.  
 17 Q. Okay.  
 18 A. The top of a detention report or an arrest  
 19 report --  
 20 Q. Okay.  
 21 A. -- will be very similar to the information that  
 22 is contained in here to include charges of the  
 23 individual that has been arrested, all of their  
 24 information up here, again, the case number, the time,  
 25 the date, the location of the arrest and so on. The

1 bottom portion of an arrest report or detention report  
 2 will also have a narrative where the officer will begin  
 3 the narrative of the arrest.  
 4 Q. Okay. And that form is completed or filled out  
 5 by the arresting officer?  
 6 A. Actually the top portion that has a lot of the  
 7 same information as this booking card --  
 8 Q. Okay.  
 9 A. -- booking cards are maintained and stay in the  
 10 booking area.  
 11 Q. Okay.  
 12 A. The arrest report will eventually be turned  
 13 over to the officer to complete the narrative form of  
 14 the arrest or detention report on the bottom.  
 15 Q. Okay.  
 16 A. The jailer has filled out everything up here on  
 17 the top, hands it off to the police officer who actually  
 18 effected the arrest to complete the narrative portion.  
 19 Q. Okay. Now -- and so we didn't have an example  
 20 of that --  
 21 A. No, sir.  
 22 Q. -- here? Okay. So the booking card is  
 23 comprised of a one sheet of paper, which is Exhibit  
 24 No. 9, front and back. Correct?  
 25 A. Correct.

Page 173

1 Q. Now, the medical questionnaire, WPD-23, you  
 2 said it was an attachment. Correct?  
 3 A. That is correct.  
 4 Q. And that medical questionnaire, that is a  
 5 separate one-sided card or document?  
 6 A. Yes. If I may with Exhibit 9?  
 7 Q. Sure.  
 8 A. Again demonstrating what the actual booking  
 9 card would look like, it would be more or less in this  
 10 shape and form --  
 11 Q. Okay.  
 12 A. -- with the back of the booking card with this  
 13 information, and this being one card stapled to the back  
 14 of this would be the WPD-23 medical questionnaire.  
 15 Q. Okay.  
 16 A. Which stab -- staples, excuse me, to the  
 17 one-piece card.  
 18 Q. Okay. And that is -- okay. And when a jailer  
 19 is doing -- is performing his booking, is following  
 20 these booking procedures, he has access to both the  
 21 booking card and the medical questionnaire WPD-23?  
 22 A. That is correct.  
 23 Q. And that was true back in May of 2007?  
 24 A. That is correct.  
 25 Q. Now, I can't tell, Lieutenant Walensky, but if

44 (Pages 170 to 173)

Hill & Romero  
 Certified Court Reporters

1 we look at Exhibit No. 5, what are the color -- are  
 2 there any color-coded directives for the medical  
 3 questionnaire?

4 A. It doesn't appear to be, and to my knowledge I  
 5 don't believe that portion was also color-coded. Again  
 6 the medical questionnaire is voluntary information  
 7 provided by the person. If they did not wish to provide  
 8 any, none would be obtained.

9 Q. Is there -- but it says here, "Complete the  
 10 medical questionnaire as well." It seems like that is a  
 11 directive to the jailer or the person performing the  
 12 booking procedure. Am I correct on that?

13 A. Yes.

14 Q. And so he is -- he or she is required to  
 15 complete the medical questionnaire. Correct?

16 A. Correct.

17 Q. 100 percent of the time every time, even if it  
 18 is a return -- a repeat customer of the jail?

19 A. Yes.

20 Q. Okay. This example that you have in Exhibit  
 21 No. 5, does it show any -- does it show a requirement  
 22 that it is necessary to fill out all the fields in the  
 23 medical questionnaire?

24 A. Just as stated in the policy. It says -- if I  
 25 can read it in here, if you will give me a moment to

1 locate it. Yes. Under number four, booking procedures,  
 2 "Complete the booking card and arrest/detention report  
 3 fields accordingly. Complete the medical questionnaire  
 4 (WPD-23) as well."

5 Q. Okay. So there is no way around it, huh?

6 A. Other than if -- again, this is all voluntary  
 7 information. If you do not have the information, there  
 8 wouldn't be anything to put on here, which is a little  
 9 different from the booking card.

10 Q. Okay.

11 A. Yes. You could have somebody come in and say,  
 12 I am not going to give you my name. If they are there  
 13 for an arrestable offense, now they have just committed  
 14 the additional charge of failure to identify. However,  
 15 that is not applicable for failing to complete a medical  
 16 questionnaire, so --

17 Q. Okay.

18 A. -- this will always be done. If they don't  
 19 wish to volunteer this, there is not really anything we  
 20 can tell them or do to compel them to provide the  
 21 information.

22 Q. Okay. And -- but does the policy, though,  
 23 under section four of the booking procedures, does it  
 24 require that the jailer make an effort to ask the  
 25 individual the questions or to complete the fields that

1 are part of the medical questionnaire?

2 A. As stated in here, it says, "Complete the  
 3 medical questionnaire as well."

4 Q. Okay. And what kinds of questions does this  
 5 medical questionnaire contain? Can you see those?

6 A. Yes, sir. It was documented in Exhibit No. 5.  
 7 The questions are as follows, "Are you under a doctor's  
 8 care," and then it will have an indication over here as  
 9 to whether they answered yes or no. The questions will  
 10 continue. "Are you currently sick or injured? Are you  
 11 currently taking any medication? Are you diabetic?"  
 12 Are you epilepsy -- it should say -- I am sorry. It  
 13 says, "Do you have epilepsy?"

14 Q. Okay.

15 A. "Do you have any communicable diseases? If  
 16 yes, what?" And then it continues to ask, "When was  
 17 your last doctor's visit? What was the reason for the  
 18 visit?"

19 Q. Okay. These -- it is my understanding these  
 20 are -- were photo -- were photos which were copied from  
 21 the booking area. These are forms that are posted in  
 22 the booking area, Lieutenant Walensky?

23 A. They appear to be the same forms as documented  
 24 in Exhibit 10.

25 Q. Exhibit 10. Let me -- let me find that real

1 quick. Okay. And do you know whether this medical  
 2 questionnaire, Exhibit No. 5, which is on one of the  
 3 cabinets at the booking area, do you know what color the  
 4 fields are, what marker was -- what color -- what marker  
 5 color was used to mark the medical questionnaire section  
 6 of Exhibit 5? And the only reason I ask, I can't tell  
 7 based on this copy.

8 A. And that would be my answer as well --

9 Q. Okay.

10 A. -- without actually being in the booking area.

11 Q. Well, regardless of the color, they have a --  
 12 the jailer has a -- has a mandate from section four to  
 13 complete it at the time of booking. Correct?

14 A. If the information is available, he is.

15 Q. Okay. And if it is not available at the time  
 16 of booking, he needs to complete it before the  
 17 individual gets released, though?

18 A. If -- if the information is provided.

19 Q. Right. I mean, but he still has to ask and --

20 A. Yes.

21 Q. -- and make an effort to complete it?

22 A. Yes.

23 Q. Are there any other forms that are -- are there  
 24 any other forms used by jailers during the booking  
 25 process that we are not seeing in Exhibits 2 through 10?

Page 178

1 A. That the jailer would complete. The arrest  
 2 report, booking.  
 3 Q. Do we have examples of those?  
 4 A. WPD-23. I am sorry. I am thinking out loud.  
 5 Q. That is fine.  
 6 A. If it is a -- if it is a county charge or  
 7 above, it will go to the Hidalgo County booking sheet,  
 8 and then all of that paperwork gets forwarded over to  
 9 criminal investigations division where they will type up  
 10 the complaint, the warrant. That should be it as far as  
 11 booking. The evidence -- I am sorry. The property will  
 12 go into a bag, be identified, placed in storage, the  
 13 shoes. The Texas Department of Public Safety criminal  
 14 history reporting form, which is basically an outdated  
 15 form, but we continue to do it.  
 16 Q. Okay.  
 17 A. What this was was a -- the Texas DPS reporting  
 18 form, which would ultimately end up in the FBI's  
 19 database.  
 20 Q. Okay.  
 21 A. This form is outdated now. Everything gets  
 22 done at the sheriff's office and gets done  
 23 electronically. However, we still use this to do the  
 24 fingerprint cards and put all of this information up  
 25 there with all the applicable charges as required by the

Page 180

1 Exhibit No. 5, I think --  
 2 A. Uh-huh.  
 3 Q. -- does it contain --  
 4 A. The WPD-23 form?  
 5 Q. 23. Does WPD-23, does it screen for mental  
 6 health issues that a detainee may be facing?  
 7 A. No.  
 8 Q. Is there a Weslaco Police Department form that  
 9 attempts to screen or that is required to be filled out  
 10 by the jailer that screens for mental health issues  
 11 faced by the detainee at the time of booking?  
 12 A. No.  
 13 Q. So when it comes to any -- when it comes to  
 14 medical -- a medic -- an interview or a -- strike that  
 15 question. Besides the WPD-23, which is a medical  
 16 questionnaire --  
 17 A. Uh-huh.  
 18 Q. -- is there a form used by jailers at the  
 19 Weslaco Police Department that screens for other medical  
 20 issues?  
 21 A. Well, actually the WPD-23 does ask, "Are you  
 22 under a doctor's care?"  
 23 Q. Okay.  
 24 A. A lot of people are currently receiving -- or  
 25 consumers for mental health are under a doctor's care.

Page 179

1 state just in case an arraignment packet gets lost or  
 2 misplaced, anything like that, we still have a  
 3 fingerprint card and all of the state's required  
 4 designated fields filled out and held just in case.  
 5 Q. Okay.  
 6 A. It was a procedure that was a have-to at one  
 7 time. Now, it is no longer required. However, we still  
 8 do it.  
 9 Q. Okay.  
 10 A. And I think that is all as far as the booking  
 11 procedures go and paperwork.  
 12 Q. Are there any forms that need to be filled out  
 13 on a computer by the jailer? Any fields on a --  
 14 A. Yes.  
 15 Q. Okay.  
 16 A. They will actually fill out what we refer to as  
 17 booking someone into the system.  
 18 Q. Okay. What is that form called? Maybe I can  
 19 find one. What does it -- what does it look like? What  
 20 is it called on top?  
 21 A. Actually nothing gets produced in paper. It is  
 22 just all held in the electronic database and to the CPU  
 23 of the booking system or CAD jail management system that  
 24 we have.  
 25 Q. The medical questionnaire section -- aspect of

Page 181

1 They are prescribed medication to control or assist with  
 2 the issues that they are having with whatever they have  
 3 been diagnosed with, whether it is paranoia,  
 4 schizophrenic, bipolar. So those questions would come  
 5 up, "Are you currently taking any medication?"  
 6 Q. Okay.  
 7 A. I am taking whatever.  
 8 Q. So that would -- those last two questions on  
 9 WPD-23 are the -- what would be the lead-in for --  
 10 A. Actually one and three.  
 11 Q. All right.  
 12 A. One, "Are you currently seeing a doctor?" I am  
 13 seeing Dr. So-and-So.  
 14 Q. Okay.  
 15 A. Okay. And if that didn't bring up anything,  
 16 "Are you currently taking any medication?" I am taking  
 17 Zoloft.  
 18 Q. Okay.  
 19 A. It could be an indication of, oh, really.  
 20 Q. Okay. And is there any -- okay. So every --  
 21 so just to be clear, there is no mental health  
 22 questionnaire form that jailers are required to complete  
 23 during the booking process. Am I correct?  
 24 A. Yes. And specifically for mental health, yes.  
 25 Q. Okay. Any -- is there any other form that the

1 jailer is required to complete for purposes of suicide  
 2 identification screening?  
 3 A. No.  
 4 Q. Okay. Let me find something here.  
 5 MR. RUIZ: Alison, I am going to show him  
 6 these. They are all the same.  
 7 MS. KENNAMER: Okay.  
 8 MR. RUIZ: For the week of May 13th.  
 9 MS. KENNAMER: Okay.  
 10 Q. Let me hand you Exhibit No. 11, Lieutenant  
 11 Walensky. What is the date on Exhibit No. 11?  
 12 A. 5-13 of '07.  
 13 Q. Okay. What is that exhibit that you are  
 14 holding? What is that called?  
 15 A. This is visual assessment and medical question.  
 16 Q. Is that a Weslaco Police Department form that  
 17 is kept at the jail?  
 18 A. No. This -- it looks like something from the  
 19 jail management system.  
 20 Q. Is that the system you referred to as CAD,  
 21 C-A-D?  
 22 A. Under CAD, yes. It is the jail management  
 23 system.  
 24 Q. Okay. Had you seen that form before this  
 25 afternoon?

Page 184

1 jail management system, this was accessed at one time,  
 2 and I advised the jailers we need to be filling this out  
 3 as well, but it was not addressed in the policy.  
 4 Q. Okay.  
 5 A. But this was --  
 6 Q. But it was addressed to jailers in what  
 7 setting, lieutenant?  
 8 A. It would have been a verbal, by myself, that we  
 9 need to be filling this out. Which if it is in the  
 10 system, we should have it filled out.  
 11 Q. Okay. And you agree with me that this booking  
 12 medical sheet assists the jailer with determining  
 13 whether a detainee requires medical and even  
 14 psychological care. Would you agree with that?  
 15 A. As I see it in here, yes.  
 16 Q. And let's look at the -- it is a two-part --  
 17 two-part form. Correct?  
 18 A. Yes. Visual and medical.  
 19 Q. Okay. You said that you recognize the bold  
 20 print at the top --  
 21 A. Yeah.  
 22 Q. -- from the CAD system fonts, I guess?  
 23 A. Uh-huh.  
 24 Q. Okay. And the first -- the first question, the  
 25 first part of that Exhibit No. 11, the booking medical

Page 183

1 A. I recognize the -- the printing up here from  
 2 the jail management system.  
 3 Q. Okay.  
 4 A. Yes. It is -- yes. It is the medical  
 5 questionnaire that is with the jail management.  
 6 Q. So that is -- is that a -- since Weslaco uses  
 7 the CAD program or software --  
 8 A. Yes.  
 9 Q. -- is that a Weslaco Police Department form  
 10 that jailers when electronically booking a detainee is  
 11 required to fully complete?  
 12 A. Not as per the policy, but it is a field that  
 13 they have access to.  
 14 Q. Okay. Is there any policy or directive or memo  
 15 for that matter that directs jailers to complete Exhibit  
 16 No. 11 every time they electronically book someone,  
 17 Lieutenant Walensky?  
 18 A. Not in our -- not in this jail procedure.  
 19 Q. Okay.  
 20 A. But --  
 21 Q. Are you aware of any verbal directives to  
 22 jailers to complete the CAD system fields which include  
 23 this document? It is called, what, a booking medical  
 24 sheet?  
 25 A. Yes. Yeah. When we were going through the

Page 185

1 sheet, is a visual assessment. Correct?  
 2 A. Yes.  
 3 Q. And to the -- to the left, it says yes and no.  
 4 Do you see that?  
 5 A. Yes.  
 6 Q. Okay. So the yes and no is before the  
 7 question. And under visual assessment, the first  
 8 question is, "Is inmate unconscious?" Did I read that  
 9 correctly?  
 10 A. Yes.  
 11 Q. And so after the -- the jailer, based on your  
 12 verbal directive, is required to observe the detainee  
 13 and write -- type in yes or no to the left of the  
 14 question?  
 15 A. It appears so, yes.  
 16 Q. Okay. The second question is, "Does inmate  
 17 have any visible signs of trauma, illness, obvious pain  
 18 or bleeding, requiring immediate medical attention?"  
 19 Did I read that correctly?  
 20 A. Yes.  
 21 Q. The third question under the visual assessment,  
 22 "Is there obvious fever, swollen lymph nodes, jaundice  
 23 or other evidence of infection that may be contagious?"  
 24 Did I read that correctly?  
 25 A. Yes.

<p style="text-align: right;">Page 186</p> <p>1 Q. Number four, it asks the jailer to respond to 2 the following question, "Any signs of poor skin 3 condition, vermin, rashes or needle marks?" Did I read 4 that correctly?</p> <p>5 A. Yes.</p> <p>6 Q. Five, the fifth question under the visual 7 assessment is, "Does inmate appear to be under the 8 influence of drugs or alcohol?" Did I read that 9 correctly?</p> <p>10 A. Yes.</p> <p>11 Q. Okay. And for purposes of this medic -- 12 booking medical sheet, why is that question important, 13 Lieutenant Walensky?</p> <p>14 A. Number five or --</p> <p>15 Q. Yes, sir.</p> <p>16 A. -- six?</p> <p>17 Q. Number five.</p> <p>18 A. Asking for an observation made by the booking 19 officer of the condition of the person being processed.</p> <p>20 Q. Would it also help the -- the jailer determine 21 the state of mind of the individual?</p> <p>22 A. No. Because it falls under visual assessment. 23 I don't know that he would know what the state of mind 24 of the individual would be other than his observations 25 from a visual.</p>	<p style="text-align: right;">Page 188</p> <p>1 that correctly?</p> <p>2 A. Yes.</p> <p>3 Q. Number ten, "Does the inmate appear to have 4 psychiatric problems?" Did I read that correctly?</p> <p>5 A. Yes.</p> <p>6 Q. The second part of the -- of Exhibit No. 11 is 7 the medical question, and that starts off with question 8 11 and it ends on question 22. Do you see that, sir?</p> <p>9 A. Yes.</p> <p>10 Q. And for 11 it asks, "Do you have any -- do you 11 have or have you ever had any of the following," and it 12 lists several illnesses from allergies to venereal 13 diseases. Do you see that, sir?</p> <p>14 A. Yes.</p> <p>15 Q. Okay. Then for females, it asks females only 16 if they are pregnant, do they take birth control pills, 17 or have they recently delivered. Did I read that 18 correctly?</p> <p>19 A. Yes.</p> <p>20 Q. Okay. 13, "Have you recently been hospitalized 21 or treated by a doctor?" Did I read that correctly?</p> <p>22 A. Yes.</p> <p>23 Q. 14, "Do you currently take any medication 24 prescribed by a doctor?" Did I read that correctly?</p> <p>25 A. Yes.</p>
<p style="text-align: right;">Page 187</p> <p>1 Q. Okay. And the next -- the next question is, 2 number six, any signs of alcohol or drug withdrawal. 3 Did I read that correctly?</p> <p>4 A. Yes.</p> <p>5 Q. Okay. Number seven, "Does inmate's behavior 6 suggest the risk of suicide or assault?" Did I read 7 that correctly?</p> <p>8 A. Yes.</p> <p>9 Q. And why is that question important, Lieutenant 10 Walensky?</p> <p>11 A. You would be able to indicate and document on 12 here that the inmate's behavior suggests the risk of 13 suicide or assault.</p> <p>14 Q. Okay. And you would want to know that because 15 there is a policy that requires a jailer to contact the 16 supervisor for purposes of sectioning the individual?</p> <p>17 A. Possibly, yes.</p> <p>18 Q. Okay. And that requires a visual assessment, 19 correct, of the behavior?</p> <p>20 A. Initially under this visual assessment, yes.</p> <p>21 Q. The next question is number eight, "Is inmate 22 carrying medication?" Did I read that correctly?</p> <p>23 A. Yes.</p> <p>24 Q. And number seven -- I mean, number nine, "Does 25 the inmate have any physical deformities?" Did I read</p>	<p style="text-align: right;">Page 189</p> <p>1 Q. 15, "Are you allergic to any medication?" Did 2 I read that correctly?</p> <p>3 A. Yes.</p> <p>4 Q. 16, "Do you have any handicaps or conditions 5 that limit activities?" Did I read that correctly?</p> <p>6 A. Yes.</p> <p>7 Q. 17, "Have you ever attempted suicide or are you 8 thinking about it now?" Did I read that correctly?</p> <p>9 A. Yes.</p> <p>10 Q. 18, "Do you regularly use alcohol or 11 street drugs?" Did I read that correctly?</p> <p>12 A. Yes.</p> <p>13 Q. 19, "Do you have any problems when you stop 14 drinking or using drugs?" Did I read that correctly?</p> <p>15 A. Yes.</p> <p>16 Q. 20, "Do you have a special diet prescribed by a 17 doctor?" Did I read that correctly?</p> <p>18 A. Yes.</p> <p>19 Q. 21, "Do you have any problems or pain with your 20 teeth?" Did I read that correctly?</p> <p>21 A. Yes.</p> <p>22 Q. 22, "Do you have any other medical problems we 23 should know about?" Did I read that correctly?</p> <p>24 A. Yes.</p> <p>25 Q. Okay. And the -- and do you agree with me that</p>

Page 190

1 questions number seven pertaining to the inmate's  
 2 behavior suggesting the risk of suicide or assault and  
 3 question number 17, "Have you ever attempted suicide or  
 4 are you thinking about it now," are questions that are  
 5 included in order for the jailer to assess whether the  
 6 detainee is a suicide risk or not?

7 A. Yes.

8 Q. And if -- and so these questions are helpful  
 9 for his booking procedure because jailers have to  
 10 classify the detainees with respect to cell assignments.  
 11 Correct?

12 A. Yes.

13 Q. And jailers also have to ensure that -- and you  
 14 talked about it earlier. They have to ensure that the  
 15 detainees while in their custody do not experience  
 16 serious injuries or death. Would you agree with that?

17 A. To the best of their ability, yes.

18 Q. And that is why these questions, question  
 19 number seven pertaining to the behavior, the risk of  
 20 suicide and number 17, "Have you ever attempted suicide  
 21 or are you thinking about it now," should always be  
 22 completed by the jailer?

23 MS. KENNAMER: Objection, form.

24 A. Your question again. Should this questionnaire  
 25 always be --

Page 191

1 Q. Should it -- should this -- should these  
 2 questions be made to the detainee based on the CAD  
 3 system program?

4 MS. KENNAMER: Objection, form. That is not  
 5 the question you asked before. But if that is the  
 6 question you want to ask now, that is fine. It just  
 7 isn't --

8 MR. RUIZ: Sure. I will ask it again.

9 MS. KENNAMER: -- the same question.

10 Q. Question 17 and question seven are CAD  
 11 questions. Right?

12 A. Correct.

13 Q. CAD is a program, the booking program, that is  
 14 contained by your computer system at the jail. Correct?

15 A. Okay. CAD is the system -- operating system,  
 16 it is my understanding.

17 Q. Okay.

18 A. And one of the abilities, I guess, of CAD or  
 19 one of the programs for CAD is jail management.

20 Q. Okay. So that is -- for purposes of jail  
 21 management --

22 A. Uh-huh.

23 Q. -- these questions are part of the booking  
 24 medical sheet questionnaire?

25 A. Yes.

Page 192

1 Q. That comes up on the computer electronically?

2 A. As an option, yes.

3 Q. Okay. And you had previously directed the  
 4 jailers to complete everything that is in this CAD jail  
 5 management system?

6 A. Everything that was on the WPD-23.

7 Q. Okay.

8 A. At some point one of the jailers -- and when  
 9 the booking system first came out, all officers were  
 10 shown this is how you book somebody in. In my training,  
 11 and even in the booking in and processing of arrested  
 12 people, I had never seen this visual assessment or  
 13 medical question form, but it was told to me by a jailer  
 14 there is a medical questionnaire option on here. And I  
 15 said, if it is on there and available, we need to be  
 16 utilizing it.

17 Q. Okay. So it was your directive to the jailers  
 18 that they should always complete the booking medical  
 19 sheet that we are seeing as Exhibit No. 11?

20 A. When this took place, I can't tell you, and I  
 21 believe it was with Edward Zuniga, the jailer.

22 Q. Okay. And was -- and this requirement, you  
 23 expressed this -- this mandate that they complete this  
 24 booking medical sheet prior to May 17th of 2007.  
 25 Correct?

Page 193

1 A. No. I don't know when we had this.

2 Q. Okay.

3 A. He brought this to my attention that, did you  
 4 know there is also a medical questionnaire. Now, CAD  
 5 and the booking systems and all those operating systems  
 6 that we have at the police department get updates. When  
 7 this came out, when we were processing, even as I was  
 8 booking people in years and years and years back, I  
 9 never utilized this area of a medical assessment or  
 10 visual assessment medical questionnaire on the jail  
 11 booking system. I don't know if this has always been  
 12 there, when this did come in, but as soon as Zuniga --  
 13 and I think it was Edward -- let me know there is also a  
 14 medical questionnaire actually in the CAD or in the --  
 15 in the jail system, I said, we need to utilize that as  
 16 well.

17 Q. Okay. And Zuniga, was he still with the  
 18 department in May of 2007?

19 A. I think so.

20 Q. Okay. Well, do you think --

21 A. I believe so.

22 Q. Well, as you sit here today, do you think that  
 23 this form should always be completed?

24 A. As I see it now, yes.

25 Q. Okay. And it is a must because -- it is a

1 must. Right?

2 A. I would say so, yes.

3 Q. And it is a must because it is essential to  
4 save lives and to give the detainees the medical care  
5 that you underlined under the booking procedures that  
6 says, "No inmate will be denied medical attention"?

7 MS. KENNAMER: Objection, form. Compound.  
8 Are you saying that completing the form saves lives?

9 Q. Asking the questions saves lives.

10 A. I think it is more inclusive as far as the  
11 questioning goes to the WPD-23, but I don't know in  
12 itself.

13 Q. Is it a supplement to the WPD form that you  
14 believe here today that should always be completed?

15 A. I think it should be as I see it here today,  
16 yes.

17 Q. Okay. Thank you. And it is a lot more  
18 comprehensive than the questions in the WPD-23 medical  
19 questionnaire. Correct?

20 A. Yes.

21 Q. And it is more comprehensive because it asks  
22 questions concerning the mental stability of the  
23 detainee who is about to be incarcerated at the Weslaco  
24 jail?

25 A. It has many -- yes. It has many other

1 questions that -- that are not on the WPD-23.

2 Q. And assume with me, Lieutenant Walensky, that  
3 when -- when this form is used that -- that a detainee  
4 answers yes to question number seven -- strike that.

5 Assume with me that a jailer is using this  
6 form and he sees -- he answers yes to question number  
7 seven, "Does inmate's behavior suggest the risk of  
8 suicide or assault," and then later on he goes to the  
9 medical question -- section and asks the detainee, "Have  
10 you ever attempted suicide or are you thinking about it  
11 now?" If the detainee answers affirmatively to question  
12 17, would you agree with me then that based on that  
13 affirmative answer to question 17 and based on the  
14 jailer's assessment of the inmate's behavior that the  
15 monitoring or surveillance of that detainee should be  
16 heightened in order to monitor him continuously?

17 A. Yes.

18 Q. Okay. Because the screening -- and this is a  
19 mental health screen. It has a medical and a mental  
20 health screen aspect to it. That -- the answers that  
21 the detainee provides should dictate the level of  
22 monitoring or surveillance that the jailers should be  
23 providing that detainee. Do you agree with that?

24 A. To an extent.

25 Q. Because a jailer will have to conduct

1 surveillance, especially if he knows that there is an  
2 individual with a mental health history. Would you  
3 agree with that?

4 MS. KENNAMER: Objection, form.

5 A. No.

6 Q. So he just walks off, puts someone with a  
7 mental health history, just locks them up, and he  
8 doesn't check on him -- check on him until his next  
9 shift -- until his next required interval?

10 A. Those aren't my words.

11 Q. Okay.

12 A. I am not saying that at all.

13 Q. Well, if you incarcerate someone with a mental  
14 health history, what should the jailer do?

15 MS. KENNAMER: Objection, form.

16 A. If -- just because they have a history is not  
17 indicative that there is going to be an issue. You have  
18 to observe the person, are they exhibiting these signs.  
19 Would it be a good idea to keep an eye on this person?  
20 Yeah.

21 Q. Would you -- how often would that monitoring  
22 be?

23 A. It depends. A lot of mental health people on  
24 medication lead very productive lives and don't have any  
25 issues. Would it be a good idea, could you check him

1 more than you would check everybody else? Sure.

2 Q. Okay. Would you agree with me that the jailer  
3 should constantly monitor that individual with a mental  
4 health history?

5 A. Definition of constantly.

6 Q. 100 percent of the time.

7 A. Okay. And if something happens in another  
8 cell, I am going to be sitting in here with somebody  
9 else going over a different deposition for neglecting  
10 one prisoner for another. I think you have to weigh it  
11 like anything else and again apply common sense. Should  
12 you go by and check this person more? Yes. Should you  
13 put a 24/7 watch on the person with the one jailer that  
14 is there in the jail facility to monitor all the  
15 jailers? I can't rob from Peter to pay Paul, but yes.  
16 Would I give them more attention the other way? Yeah.

17 Q. And what are the intervals at which jailers are  
18 required to monitor the detainees?

19 A. At that time, 30 minutes.

20 Q. Back in May of 2007?

21 A. I believe, yes.

22 Q. Has that changed?

23 A. Yes.

24 Q. What is the new interval for -- that they are  
25 required to follow?

Page 198

1 A. 15.  
 2 Q. 15. And if -- are there any exceptions, if  
 3 they come across or come in contact with a detainee who  
 4 expresses, makes a statement that, I am going to kill  
 5 myself?

6 A. Yes. You go back to your policy, call in your  
 7 supervisor on duty to conduct an interview with the  
 8 person, does this person meet the criteria of someone in  
 9 need to be taken into custody for mental health and  
 10 taken for a professional screening.

11 Q. And in the meantime while the jailer is doing  
 12 this, does the person get incarcerated or is -- or is  
 13 the detainee there waiting next to the jailer in the  
 14 booking area?

15 A. It could be in the booking area. It could be  
 16 in the single cell.

17 Q. Okay. Do you think that -- a statement from a  
 18 detainee that says I am going to kill myself, do you  
 19 think that would be a basis for a constant watch?

20 A. For a constant watch?

21 Q. Yes. Constantly monitoring him.

22 A. Yes.

23 Q. Okay.

24 A. Until an evaluation can be done.

25 Q. Okay. And who -- and have evaluations -- have

Page 200

1 procedures on May 17th, 2007, you said the intervals  
 2 were at 30 minutes. Correct?

3 A. I believe so. If I could review.

4 Q. Oh, is that in the policies?

5 A. Yes.

6 Q. Okay. Sure.

7 A. Now, this one says 15 minutes. I know at some  
 8 point they were at 30 minutes and a change had been  
 9 made.

10 Q. What page are you looking at, lieutenant?

11 A. I am looking at page 0468.

12 Q. 0468. Okay.

13 A. At I.

14 Q. I.

15 A. I take that back. Wait a minute. That is for  
 16 the juvenile.

17 THE VIDEOGRAPHER: Five minutes.

18 A. I believe it is underlined. If you will look  
 19 on page 465 under inmate supervision.

20 Q. 465.

21 A. Section A, subsection two.

22 Q. Okay. Inmate supervision, welfare checks,  
 23 counts and cell procedures. Okay. Two, "A welfare  
 24 check of all inmates will be made every 30 minutes." So  
 25 that was a requirement back in May of 2007?

Page 199

Page 201

1 detainees -- strike that question. An evaluation done  
 2 with respect to the mental health of the detainee.  
 3 Right? That is what you mean?

4 A. No. As -- as a police officer --

5 Q. Oh.

6 A. -- when I come in and I am -- have some reason  
 7 to believe that somebody has some ideation of following  
 8 through with a plan or even just making the comment, you  
 9 know what, I am going to kill myself, I am going to have  
 10 an interview with the person. I am going to talk with  
 11 them.

12 Q. Okay. There is a basis for following up with  
 13 that detainee, though. Right?

14 A. Yes.

15 Q. And what type of questions -- is there anything  
 16 that tells us what -- the types of questions that the  
 17 jailer should follow up with?

18 A. It is not for the jailer. It would be for the  
 19 supervisor on duty.

20 Q. Okay. And so the jailer would lock the person  
 21 up and contact his shift supervisor and allow the shift  
 22 supervisor to further investigate and to determine that  
 23 individual's mental health condition at the time?

24 A. Yes.

25 Q. Okay. The monitoring or surveillance

1 A. Correct.

2 Q. Okay. Now, since when did it change to  
 3 15-minute intervals?

4 A. I believe that change was made in either '08 or  
 5 '09. I want to say '08.

6 Q. What prompted that change, Lieutenant Walensky?

7 A. Chief Martinez believed that the checks should  
 8 be at a 15-minute interval.

9 Q. Do you know what his basis for that request  
 10 was?

11 A. He wanted them checked every 15 instead of  
 12 every 30.

13 Q. And along with the checks, did it require --  
 14 well, let's talk about the 30-minute interval checks.  
 15 That -- that policy, which was in effect in May of 2007,  
 16 was there -- was there a requirement that the jailer  
 17 also log the check, log that he has observed the  
 18 detainees that are housed at the Weslaco jail?

19 A. Yes. Checks were to be made on the daily log,  
 20 the jail daily log.

21 Q. Was that mandatory?

22 A. Yes. We implemented a jail log system to  
 23 document the -- what the jailer did in that eight-hour  
 24 shift, his checks, welfare checks, any of the day-to-day  
 25 duties that they were conducting.

Page 202

Page 204

1 Q. Okay. And when was that instituted?  
 2 A. I am not sure of the date.  
 3 Q. Was it before May of 2007?  
 4 A. I believe so. Yes. It would have actually  
 5 been in 2005. If you will go to 460.  
 6 Q. 460.  
 7 A. Under responsibilities of personnel.  
 8 Q. Okay.  
 9 A. Under C, 11.  
 10 Q. C, 11. Okay. "Completes the daily -- daily  
 11 jail log accordingly with any pertinent information  
 12 entered." Okay. Any -- any other form that tells you  
 13 what pertinent information means there?  
 14 A. No. Just examples were the day -- the welfare  
 15 checks, if they had laundry, if they had -- whatever  
 16 day-to-day activities were being conducted would be on  
 17 the jail log.  
 18 Q. And these -- let me ask you one question.  
 19 Going back to the 468, we had touched upon that earlier.  
 20 Under booking procedures, B, adult and juvenile cells,  
 21 four, "The single cells will be used for inmates who are  
 22 injured." You have medically cleared or preexisting,  
 23 close parentheses, have communicable diseases or  
 24 conditions, suicidal, combative or violent. Did I read  
 25 that section correctly?

Page 203

Page 205

1 A. Yes.  
 2 Q. Did the -- did the jailers at the Weslaco PD  
 3 jail have a guide or some document, some kind of  
 4 guidance that would tell them, this individual is  
 5 suicidal, he should go -- he should go into the single  
 6 cell?  
 7 A. Okay.  
 8 Q. I guess my question is, how would the jailer  
 9 know a detainee is suicidal for purposes of complying  
 10 with this section four, single cell housing?  
 11 A. We have had the occurrence where we have had  
 12 people in custody or we have even had people where we  
 13 detained someone without warrant or under a judge's  
 14 order for a mental health warrant, taken them, had them  
 15 screened, and they were denied at the screening  
 16 facility, the mental health screening facility, MHMR,  
 17 Texas Tropical, any of the mental health facilities you  
 18 want to name. There is a screening process, and I would  
 19 say, if I had to guess, 40 percent of the people are  
 20 turned away and returned either to their home or  
 21 incarceration.  
 22 THE VIDEOGRAPHER: One minute.  
 23 Q. Okay. I just have to object to the  
 24 nonresponsiveness. How -- under what -- how would a  
 25 jailer know --

1 A. If he was --  
 2 Q. -- to place someone who is suicidal --  
 3 A. If someone was sectioned that was in custody,  
 4 screened, refused, and returned, we are going to place  
 5 them in that cell.  
 6 Q. Sectioned -- someone who has been sectioned.  
 7 That is sectioned by a judge. Correct?  
 8 A. It could be by a judge. It could be by a  
 9 police officer without warrant.  
 10 Q. Or a police officer?  
 11 A. Apprehension of subject exhibiting mental  
 12 health issues without warrant or with a mental health  
 13 warrant as issued by a magistrate.  
 14 Q. Okay. So those are the two instances. Any  
 15 other instance that you can -- that would warrant a  
 16 jailer to place -- to identify someone as suicidal?  
 17 A. I would say that is a possibility. If they  
 18 have displayed symptoms or signs that led an officer to  
 19 believe, you know what, or somebody else -- and it has  
 20 happened where the family has gone to a judge, gotten  
 21 section paperwork from a judge to serve on somebody we  
 22 have in custody. We will take them, take them through  
 23 the screening process, and close to half the time they  
 24 will be returned, and we return them to custody pending  
 25 arraignment or payment of fine.

Page 206

Page 208

1 A. Yes.

2 Q. Okay. And because -- this procedure applies  
3 when a police officer, patrol officer out in the field  
4 involuntarily arrests someone, right, for a mental  
5 health issue --

6 A. Okay.

7 Q. -- or --

8 A. I was giving you an example of why would  
9 somebody be put in there --

10 Q. Okay.

11 A. -- under the circumstances that they may be at  
12 risk for that. If somebody is in custody and we receive  
13 order --

14 Q. Okay.

15 A. -- to take somebody to a screening facility,  
16 just because we have an order or an officer takes  
17 somebody into custody under emergency order for mental  
18 health and we take them to a screening facility, the  
19 screener at the mental health facility may not accept  
20 them.

21 Q. Okay.

22 A. They may say they do not meet criteria for  
23 emergency detention. Therefore, the person is to be  
24 taken back where they were. If the person was arrested  
25 for a criminal offense, they would be returned to the

Page 207

Page 209

1 City of Weslaco pending arraignment.

2 Q. Is there any document that reflects what you  
3 just told me for purposes of a jailer knowing what he  
4 needs to do?

5 A. No. Because all of those operations are  
6 handled by a police officer.

7 Q. Okay. And what if that individual who was  
8 detained pursuant to an emergency order by a court or by  
9 a police officer and -- and what if that person is a  
10 repeat customer of the -- of the Weslaco jail during  
11 the -- if that individual gets arrested two days  
12 later --

13 A. Uh-huh.

14 Q. -- should the jailer take note of the past  
15 sectioning by a court or a police officer and place them  
16 into a single cell to comply with this number four of  
17 the booking?

18 A. No.

19 Q. No. Why not?

20 A. Because there is nothing leading you to believe  
21 that we have something current that this person is in  
22 crisis.

23 Q. Okay. And so there would have to be  
24 examples -- the jailer would have -- the jailer would  
25 have to know and then communicate that knowledge of past

1 crises to the shift supervisor and allow that supervisor  
2 to make the determination as to where to house the  
3 detainee, if it is a person who routinely gets in  
4 trouble and gets arrested?

5 A. Well, there is -- we have no database for that.  
6 We can pull out a history as to what the person's  
7 previous criminal charges were for, things of that  
8 nature.

9 Q. Who is we? Are you talking about the jailers,  
10 the dispatchers?

11 A. The department.

12 Q. The department. Okay.

13 A. And I think my example of, you know, why are we  
14 putting somebody in here, I was just giving you a for  
15 instance of where this person would be. Would we put  
16 them in with other people? Probably not. Again if  
17 somebody has an issue with closed spaces, that single  
18 cell is not an option, because it is very confining.

19 Q. Correct.

20 A. So a lot of it is going to be based on what is  
21 the jailer dealing with at the time. You have somebody  
22 that gets arrested and they have issues with being in  
23 small confined space. We will put them in the larger  
24 one. But as I was trying to explain, it is just as a  
25 for instance. Why would we put somebody in the single

Page 209

1 cell specifically for suicide? If this person has been  
2 screened, not accepted, they do have to come back to the  
3 facility. It would be preferable that they be placed  
4 into the single cell, a notation would be made on the  
5 board, watch this person on the note board. There is --  
6 off to the side there is a -- a grease pencil board  
7 where you write the offender's name, what they are  
8 charged with, and then there is also notes. Something  
9 like that would be noteworthy and would be put up on  
10 that board, brought back after section, placed in single  
11 cell.

12 Q. And that would be -- that would be for jailers  
13 and police officers to read?

14 A. Anybody in the room would be able to read that.

15 Q. To brief the -- the next shift --

16 A. Yeah.

17 Q. -- as to what happened? Okay. Besides this  
18 section four where the word suicide is mentioned, is  
19 there any other section of these jail and detention  
20 procedures that reference suicide in any way?

21 A. No.

22 Q. Okay. Detective -- I mean -- I am sorry, sir.  
23 Lieutenant Walensky, you have mentioned that a -- that a  
24 family in the past had requested assistance from the  
25 court and from the Weslaco Police Department for

53 (Pages 206 to 209)

Hill & Romero  
Certified Court Reporters

Page 210

1 purposes of sectioning an individual and transporting an  
 2 individual to a mental health facility?  
 3 A. That has happened in the past.  
 4 Q. How many times has that happened?  
 5 A. I wouldn't even venture a guess.  
 6 Q. Are there any records that would show the dates  
 7 when that happened?  
 8 A. If it would be on an incident report.  
 9 Q. Okay.  
 10 A. Usually when we serve a mental health warrant,  
 11 we do an incident report. However, if they are already  
 12 in custody, it could have been done on a supplement to  
 13 that arrest report. It could have been done on another  
 14 incident report. It --  
 15 Q. And --  
 16 A. -- could be either.  
 17 Q. And so if there is a -- if a judge orders the  
 18 sectioning of an individual, the judge is giving a  
 19 police -- a police officer the authority to take an  
 20 individual against his or her will and transport that  
 21 individual to a medical facility. Am I correct?  
 22 A. It commands any law enforcement officer in the  
 23 State of Texas to take the listed person to the nearest  
 24 mental health facility.  
 25 Q. Okay. So who at the police department would

Page 212

1 legal battle that has recently resulted in the State  
 2 Attorney General's opinion. Mental health facilities  
 3 used to say, we are not taking anybody until you get a  
 4 medical clearance. That was a large argument with law  
 5 enforcement and the mental health facilities on there is  
 6 no prerequisite or legal requirement that we be taking  
 7 anybody to a hospital for medical care for somebody who  
 8 wasn't in obvious need of medical assistance.  
 9 If somebody overdoses, yes, they are going  
 10 to go to the hospital to treat the overdose, get a  
 11 medical clearance, and then take them in for screening  
 12 or have the field screener come to the hospital and  
 13 conduct that screening at the hospital. Without that,  
 14 we just take them over to Texas Tropical or whatever  
 15 mental health facility is available to get them  
 16 screened. But a recent Attorney General's opinion has  
 17 said, there is no mandate or requirement or  
 18 responsibility for law enforcement to take them to a  
 19 hospital for someone not in need of any medical care to  
 20 get a medical clearance prior to taking them into an  
 21 intake facility.  
 22 Q. Because they are two different --  
 23 A. Well --  
 24 Q. -- two different --  
 25 A. -- it is a liability argument with the private

Page 211

1 receive that order from the court?  
 2 A. They would usually refer it to the supervisor  
 3 on duty.  
 4 Q. Okay. And the supervisor on duty, what does he  
 5 or she do after receiving that order from the court?  
 6 That is a section 26 or a section 28?  
 7 A. 28.  
 8 Q. 28. Because there is a judge involved.  
 9 Correct?  
 10 A. Uh-huh.  
 11 Q. What does the supervisor do with that order?  
 12 A. They supervisor will assign a patrol officer to  
 13 take the paperwork and that person and take them to  
 14 Texas Tropical or request that a field screening person  
 15 from Texas Tropical meet us somewhere, depending on what  
 16 has happened, where they are at.  
 17 Q. Do people -- do personnel from the mental  
 18 health hospitals, do they travel to the jail?  
 19 A. No. If they do a field visit, it is usually at  
 20 the hospital.  
 21 Q. At the hospital. Okay.  
 22 A. And usually under a 26 and --  
 23 Q. If it is at a hospital, the nearest one would  
 24 be Knapp?  
 25 A. Yes. But now you are getting off into a big

Page 213

1 and state mental health facilities.  
 2 Q. Now --  
 3 A. But it is -- it is a different thing from this,  
 4 but we are required to take them to the closest mental  
 5 health facility.  
 6 Q. Okay. That would be Tropical Texas?  
 7 A. Uh-huh.  
 8 Q. Okay. Is that the -- is that where the City of  
 9 Weslaco police officers generally take --  
 10 A. Unless it is indicated elsewhere by the judge.  
 11 The magistrate is supposed to order where it is supposed  
 12 to go.  
 13 Q. Okay.  
 14 A. A lot of times they will write down two or  
 15 three, which they are not supposed to.  
 16 Q. Okay.  
 17 A. To get technical, you could say this  
 18 invalidates this order because it needs to be one  
 19 facility.  
 20 Q. Okay.  
 21 A. You may have someone who is already registered  
 22 with private insurance at a hospital that has a facility  
 23 like Doctors Hospital or McAllen Behavioral, but usually  
 24 it is Texas Tropical.  
 25 Q. Okay. Lieutenant Walensky, and what is done

54 (Pages 210 to 213)

Hill & Romero  
 Certified Court Reporters

Page 214

Page 216

1 with the document, the order of the court? Is that  
 2 kept --  
 3 A. After return -- actually he will complete the  
 4 return just like he would on any other warrant.  
 5 However, this is a noncriminal mental health warrant.  
 6 That document is supposed to be forwarded back to the  
 7 court of original jurisdiction, usually the JP or  
 8 municipal judge, but oftentimes, again, dealing with  
 9 some of these behavioral facilities, they want to keep  
 10 that original document. So after a brief discussion  
 11 over the issue, we tell them, take that up with -- but  
 12 an MI report, an incident report, will be documented  
 13 with our department files.

14 Q. So there is a requirement, there is an internal  
 15 procedure, that requires the patrol officer who  
 16 transported the individual to the -- to the mental  
 17 health facility to complete an incident report?

18 A. Yeah. It is a noncriminal custodial report  
 19 which is documented on an incident report.

20 Q. On an incident report. Okay. There is a  
 21 difference?

22 A. Uh-huh.

23 Q. Okay. Now, in May of 2007, did the City of  
 24 Weslaco -- did the officers and staff of the Weslaco  
 25 Police Department, including jailers and dispatchers and

1 see that?  
 2 A. Correct.  
 3 Q. Okay. And the first page of Exhibit 12 is an  
 4 order for issuance of mental health warrant, sections  
 5 573.011 and 573.012 of the HSC. Do you see that at the  
 6 top of the order?

7 A. Yes.

8 Q. Okay. And the cause number is 145984. And  
 9 this order, the style of the order, is State of Texas,  
 10 for the best interest and protection of Maricela  
 11 Trevino. Did I read that correctly?

12 A. Yes.

13 Q. And it is in -- and this order is -- was issued  
 14 by the municipal court, City of Weslaco, Hidalgo County,  
 15 Texas; is that correct?

16 A. Correct.

17 Q. And the paragraph -- the order reads, "Upon  
 18 presentation of an application for emergency detention  
 19 by," and then the name of the applicant, you see Fred  
 20 Trevino, comma, "The Court finds that there is  
 21 reasonable cause, in other words, a (basis of reasonable  
 22 cause), see the application attached to believe that the  
 23 (name of the person to be committed)," and then it says,  
 24 "Maricela Trevino evidences mental illness that creates  
 25 an imminent, substantial risk of serious harm to

Page 215

Page 217

1 detectives, did they have knowledge that Maricela  
 2 Trevino was a suicide risk?

3 MS. KENNAMER: Objection, form.

4 A. I can't speculate as to what detectives or  
 5 police officers or jailers --

6 Q. And Ms. Trevino had an extensive arrest history  
 7 at the Weslaco Police Department jail. Correct?

8 A. That is what I understand.

9 Q. Okay. Did you know that her family sought  
 10 assistance from a court to section her while she was  
 11 already in custody of the Weslaco Police Department in  
 12 November of 2005?

13 A. No.

14 Q. Okay. Let me hand you a couple of documents  
 15 here. Let me hand you Exhibit No. 12. I will give you  
 16 an opportunity to look at Exhibit No. 12.

17 MR. RUIZ: Oh, I have one for you.

18 MS. KENNAMER: Oh, okay. Thank you.

19 A. And your question?

20 Q. Sure. Exhibit number -- what number is that?

21 A. 12.

22 Q. 12. It is comprised of how many pages --

23 A. Three.

24 Q. -- lieutenant? Three. And the Bates stamp  
 25 numbers at the bottom are 05703 through 05705. Do you

1 (himself)(herself, or others," comma, "the risk of harm  
 2 is imminent unless the person is immediately restrained  
 3 and that necessary restraint for treatment cannot be  
 4 accomplished without emergency detention, and that  
 5 emergency detention is the least restrictive means to  
 6 effect necessary restraint." Did I read all of that  
 7 correctly?

8 A. Yes.

9 Q. Okay. Then it reads, "It is therefore ordered  
 10 that a warrant shall issue for the immediate  
 11 apprehension, detention and transport of the above named  
 12 person to an appropriate treatment facility for a  
 13 preliminary examination by a physician." Did I read  
 14 that correctly?

15 A. Yes.

16 Q. And then the date entered, it shows, November  
 17 10th, 2005, and it is signed by Melinda G. Farias,  
 18 magistrate, City of Weslaco, Hidalgo County, Texas. Did  
 19 I read that correctly?

20 A. Yes.

21 Q. That is actually the order prior -- before the  
 22 order, in this case Mr. Fred Trevino, Ms. Trevino's  
 23 brother, filed an application for the emergency  
 24 detention; is that correct?

25 A. That is what I see on the first page here of

55 (Pages 214 to 217)

Hill & Romero  
 Certified Court Reporters

Page 218

Page 220

1      Exhibit 12.

2      Q. And the application is shown on the second and  
3      third page of the exhibit. Do you see that, sir?

4      A. Yes.

5      Q. Okay. At the top of page two of Exhibit 12, it  
6      says, application for emergency detention,  
7      section 573.01 HSC. I am assuming that is Health and  
8      Safety Code. Cause number 145984. State of Texas, and  
9      then it says Maricela Trevino, and then municipal court,  
10     City of Weslaco, Hidalgo County, Texas. Did I read that  
11     correctly?

12     A. Yes.

13     Q. It says, "(Note: This application must be  
14     presented personally to a magistrate. The magistrate  
15     may interview the applicant." Did I read that  
16     correctly?

17     A. Yes.

18     Q. The first paragraph says, "I, the undersigned  
19     applicant, have reason to believe and do believe that  
20     Maricela Trevino evidences a substantial risk of serious  
21     harm to herself or others. This harm is specifically  
22     described as follows, Maricela has started talking of  
23     committing suicide, overdosing with the drugs she  
24     takes," and it says heroin and cocaine, period. Did I  
25     read that first paragraph correctly?

1      A. Yes.

2      Q. Then it reads, "Therefore, I request the  
3      magistrate to issue an order and warrant for emergency  
4      detention pursuant to Chapter 573 of the Health and  
5      Safety Code of the person named above." Did I read that  
6      section correctly?

7      A. Yes.

8      Q. And then we have Mr. Trevino's name and address  
9      on one side. Do you see that, sir?

10     A. Yes.

11     Q. His telephone number on the other, and it is  
12     dated November 10th, 2005 with his signature at the  
13     bottom. Did I read that correctly?

14     A. Yes.

15     Q. The last page of Exhibit 12, at the top it  
16     identifies the patient's name, which would be Maricela  
17     Trevino. Do you see that, sir?

18     A. Yes.

19     Q. And it shows her address, which is 815 East  
20     America Street, Weslaco, Texas, 78596. Her race, W;  
21     sex, female; age, 34; height, 5'3"; weight, 95 pounds;  
22     birth date, August 18th, 1971; hair color, brown; eyes,  
23     dark brown. I purposely skipped the Social Security  
24     number, but did I read that section correctly, sir?

25     A. Yes.

Page 219

Page 221

1      A. Yes.

2      Q. Next -- next paragraph, "I further believe that  
3      the risk of harm is imminent unless the person named  
4      above is immediately restrained. My belief is derived  
5      from specific recent behavior, overt acts, attempts, or  
6      threats which are described in detail as follows."  
7      Maricela -- and handwrite -- this is handwritten.  
8      "Maricela has suicidal thoughts. She has mentioned  
9      overdosing herself. She walks onto the oncoming --  
10     oncoming traffic and on a number of times -- and on a  
11     number of times she has almost been," it says, "runned  
12     over by vehicles. She stands in the middle of traffic."  
13     Did I read that handwritten section correctly?

14     A. Yes.

15     Q. Next paragraph, "My relationship to the person  
16     named above is," and then it says, "My name is Fred  
17     Trevino. I am her brother." Did I read that correctly?

18     A. Yes.

19     Q. Other relevant information, it says, "Maricela  
20     has hallucinations, hears voices, and hears her children  
21     calling her. She has attempted to get into strangers'  
22     vehicles looking for her children. She had the traffic  
23     stopped on Pike Avenue by standing in the middle of the  
24     street. This incident happened last week." Did I read  
25     that handwritten section correctly?

1      Q. The other side, you see the name of the  
2      applicant, Fred Trevino. Do you see that, with his  
3      address?

4      A. Yes.

5      Q. 323 Forest Hills Drive in Weslaco, Texas,  
6      78596. The relationship, blank. In the relationship  
7      blank, he filled brother, and he lists his cell phone  
8      number. Did I read that information correctly?

9      A. Yes.

10     Q. Then under that you have, "The following  
11     questions are asked so that the patient can be taken  
12     into custody with a minimum of danger to patient or to  
13     others. This information will be kept confidential by  
14     officers." And it lists that because the officers are  
15     the ones that are going to execute the order from the  
16     judge. Do you see that section --

17     A. Yes.

18     Q. -- lieutenant?

19     A. (Moving head up and down)

20     Q. Okay. The first question under this section  
21     says, "Has the patient ever received psychiatric care,"  
22     and it says "No." Number two, "What has patient done  
23     recently?" And in hand -- handwritten, and they wrote,  
24     "Talks of suicide, tried to overdose, walks onto  
25     oncoming traffic, drugs - heroin and cocaine." Did I

Page 222

Page 224

1 read that section correctly?

2 A. Yes.

3 Q. "Has the patient ever been arrested or jailed?"  
 4 And the check -- there is a checkmark for yes. "If yes,  
 5 on what charges?" And it says, "Currently in jail,  
 6 11-9-05 - public intoxication," and a car almost --  
 7 well, public intoxication. Did I read that section  
 8 correctly?

9 A. Yes.

10 Q. And then question number four, "Is patient a  
 11 danger to himself or others," and they checked off  
 12 "Yes." And then there is some handwritten notes that  
 13 say -- I am sorry. I apologize. Under four -- under  
 14 the fourth question, it says, "If yes, how?" And the  
 15 applicant, Mr. Trevino, responded, "Suicidal, drug  
 16 problem, walks onto oncoming traffic," and then he  
 17 wrote, "And a car almost ran over her." Did I read that  
 18 correctly?

19 A. Yes.

20 Q. "Do you think the patient will be violent when  
 21 the officers serve the warrant," and they checked off  
 22 "No." "Do you think the patient will try to run when  
 23 the officers serve the warrant," and they checked off  
 24 "Yes." "Are there any weapons in the close proximity of  
 25 the patient," and they checked off "Yes." Did I read

1 the warrant and to subdue and/or restrain him/her." It  
 2 is signed by the applicant Mr. Trevino, and it is  
 3 notarized by Lori A. Maldonado. Did I read that section  
 4 correctly, sir?

5 A. Yes.

6 Q. Based on Exhibit No. 12, Lieutenant Walensky,  
 7 and based on your education, training, and experience,  
 8 would you say that Maricela Trevino was a person that  
 9 suffered from mental illness in November of 2005?

10 MS. KENNAMER: Objection, form.

11 A. I don't know.

12 Q. You don't know based on that application for a  
 13 health warrant?

14 A. It doesn't tell me she is suffering from mental  
 15 illness.

16 Q. The fact that -- the fact that the application  
 17 says she was suicidal doesn't characterize as mental  
 18 illness?

19 MS. KENNAMER: Objection, form. Objection,  
 20 assumes facts not in evidence. The fact that her  
 21 brother said something doesn't establish any facts.

22 Q. Lieutenant Walensky, Judge Farias found that  
 23 there was reasonable cause based on the application,  
 24 which she attaches to this --

25 A. Uh-huh.

Page 223

Page 225

1 those questions correctly?

2 A. Yes.

3 Q. And it says, "If yes, what kind? Officers'  
 4 weapons, she is in jail." Did I read that correctly?

5 A. Yes.

6 Q. Number eight, "Does the patient have any of the  
 7 following, (a) physical handicaps?" The answer is "No".  
 8 "(b) communicable disease? I am not aware of any" is  
 9 the response. And "(c) medical problems? Thyroid,  
 10 hears voices, hallucinates." Did I read those -- that  
 11 question correctly?

12 A. Yes.

13 Q. Nine, "Are there any other persons in the  
 14 residence with patient," and the answer is, "She is  
 15 homeless." Did I read that section correctly?

16 A. Yes.

17 Q. Number ten, "Does the patient have any pets?"  
 18 "No" is the answer. Then it says -- then at the bottom,  
 19 there is a question ten, which is unanswered -- or it  
 20 says, "Please list any information or suggestions that  
 21 you think will be helpful to the officers when they take  
 22 the patient into protective custody." That is left  
 23 blank. And then the last line reads, "I understand that  
 24 if the patient resists being taken into custody, the  
 25 officers will use whatever force is necessary to execute

1 Q. -- for issuing a mental health warrant.

2 A. Okay.

3 Q. Okay. Do you disagree with the judge's  
 4 decision to order a mental health warrant for Maricela  
 5 Trevino on November 10th, 2005?

6 A. Whether she issued a warrant doesn't  
 7 necessarily mean that she in this case had mental  
 8 illness. That is for a doctor to decide or a mental  
 9 health screener to get to a doctor to say. I have --

10 Q. Okay. Would you --

11 A. I will tell you this. I have served many of  
 12 these and driven them right back to their house.

13 Q. Okay. And --

14 A. I follow through with the warrant as law  
 15 requires. However, I would leave the judgment of  
 16 whether a person suffers from mental illness to a  
 17 doctor.

18 Q. Well, and -- but the Health and Safety Code  
 19 allows a judge --

20 A. Uh-huh.

21 Q. -- specifically in this case Judge Farias, to  
 22 make a determination whether the behavior -- that is why  
 23 it says over here for the best interest and protection  
 24 of Maricela Trevino. Do you see that?

25 A. Uh-huh.

1 Q. Whether her behavior evidences mental illness,  
 2 I will refer you to the first paragraph of the first  
 3 page of Exhibit 12.

4 A. Yes.

5 Q. She feels -- she felt that the apply -- that  
 6 what was written on the application was evidence of  
 7 mental illness.

8 A. No.

9 MS. KENNAMER: Objection, form.

10 A. It evidences a -- the ability for the judge to  
 11 sign a custodial mental health warrant to take the  
 12 person into some place who could make that decision.

13 Q. Okay. Well, I --

14 A. That is what it says to me.

15 Q. I am reading the order and it says -- I will  
 16 read it again. "The Court finds that there is  
 17 reasonable cause..."

18 A. "To believe."

19 Q. And then it says, "See application attached to  
 20 believe that Maricela Trevino evidences mental illness  
 21 that creates an imminent, substantial risk of serious  
 22 harm to him -- to herself or others."

23 MS. KENNAMER: Objection, form. There is no  
 24 question even on the table at the moment and objection,  
 25 argumentative. He has told you what he thinks. You

1 A. The officer handling the section.

2 Q. Do you know who handled this sectioning?

3 A. I don't.

4 Q. Okay. Would you agree with me that the -- that  
 5 the Weslaco Police Department personnel had knowledge of  
 6 Maricela Trevino's suicidal behavior in November  
 7 of 2005 --

8 MS. KENNAMER: Objection, form.

9 Q. -- based on Exhibit 12?

10 A. If this was served to a Weslaco police officer,  
 11 that police officer would have knowledge.

12 Q. And would the jailer that -- in this case,  
 13 because she was in custody already, the jailer who was  
 14 handling -- or who was manning the booking department  
 15 would have knowledge as well. Correct?

16 A. If she was still in custody, yes.

17 Q. Well, that is what it says here. No? That she  
 18 is in custody. I thought I read it somewhere.

19 A. Yes. When this application was filled out, to  
 20 Mr. Trevino's knowledge she was in custody for public  
 21 intoxication.

22 Q. Well, and, you know, if you notice something of  
 23 this -- on the application, it is also notarized.

24 A. Uh-huh.

25 Q. The fact that it is notarized and that someone

Page 227

Page 229

1 just don't like his answer.

2 Q. Well, I just wanted to know whether you have  
 3 any -- has she filled these orders before? Have you  
 4 ever served any of these orders?

5 A. Yes.

6 Q. Have you ever disagreed with her and told her  
 7 directly that that person did not evidence mental  
 8 illness?

9 A. I keep my opinions to myself. The judge signs  
 10 the order.

11 Q. Okay.

12 A. Now, I am bound by law to have a peace officer  
 13 effect the mental health warrant, take the person to a  
 14 qualified person to make that decision.

15 Q. Okay. And in order to do that, the Weslaco  
 16 Police Department has to get involved?

17 A. A peace officer has to serve the warrant.

18 Q. Okay. Well, who serves the warrants for --  
 19 that come out of the municipal court of the City of  
 20 Weslaco?

21 A. The Weslaco Police Department.

22 Q. Okay. And wouldn't you say that based on  
 23 Exhibit No. 12 some members of the Weslaco Police  
 24 Department had knowledge that Maricela Trevino was  
 25 sectioned by Judge Farias in November of 2005?

1 took the time to fill this out, to go to a judge and  
 2 request all of this, that -- that doesn't give the  
 3 application credibility in your eyes, Lieutenant  
 4 Walensky?

5 MS. KENNAMER: Objection, form. It is not a  
 6 proper question.

7 A. All this tells me is to take this person to  
 8 somebody who is medically qualified to make that  
 9 decision.

10 Q. Okay.

11 A. I may have an arrest warrant, criminal, for  
 12 somebody. It doesn't mean I know they did it.

13 Q. Let me hand you another exhibit. Thank you.  
 14 Have you had a chance to review Exhibit No. 13,  
 15 Lieutenant Walensky?

16 A. I am reading it.

17 Q. Okay. Sorry.

18 A. Yes. I have read it.

19 Q. What is Exhibit No. 13?

20 A. This appears to be a CAD-generated -- although  
 21 an older CAD -- document of a call that Officer Xenia  
 22 Yarrito responded to involving Maricela Trevino.

23 Q. And Officer Xenia Yarrito is one of the four  
 24 mental health officers of the Weslaco -- strike that  
 25 question. Officer Xenia Yarrito is a mental health

1 peace officer employed by the City of Weslaco Police  
 2 Department. Correct?  
 3 A. Currently.  
 4 Q. Currently. Was she back then --  
 5 A. I don't --  
 6 Q. -- in January of 2006?  
 7 A. I don't know.  
 8 Q. Okay. And Ms. -- this is a report by  
 9 Ms. Yarrito, correct, by Officer Yarrito dated  
 10 January 30th, 2000 -- 2006. Correct?  
 11 A. Well, it is not -- it is not her report. It  
 12 is -- looks like a facsimile of a call sheet.  
 13 Q. A facsimile. Where do you -- where do you see  
 14 that?  
 15 A. When an officer generates a report for the  
 16 Weslaco Police Department, it doesn't look like this.  
 17 Q. Okay. What is -- what is this document then?  
 18 What is this called? It says Weslaco -- and the only  
 19 reason I am asking you, it says Weslaco Police  
 20 Department on top. Do you see that?  
 21 A. Yes. But this could have been generated in  
 22 dispatch by the CAD. This could have been something  
 23 typed in by people in data entry, but this is not on  
 24 the -- the report type that an officer would generate.  
 25 So I am at a loss as to is this CAD-generated report

Page 231

1 from dispatch, is this a copy of her report as entered  
 2 in by --  
 3 Q. I see.  
 4 A. -- a data entry clerk.  
 5 Q. Okay. But it says -- it has a Weslaco Police  
 6 Department number. Right?  
 7 A. It appears to be a case number, yes.  
 8 Q. And the case number is 2006002308. Did I read  
 9 that correctly?  
 10 A. Yes.  
 11 Q. And it shows a complainant -- a complainant,  
 12 right, Chris Villarreal?  
 13 A. Yes. This looks like a call sheet, a  
 14 CAD-documented call sheet.  
 15 Q. Okay. Call sheet. And it shows -- it shows  
 16 the offense of overdose. Do you see that in the middle  
 17 of the first page?  
 18 A. Yes.  
 19 Q. And towards the bottom, it shows -- it lists  
 20 the assigned officer as Xenia Yarrito. Did I read that  
 21 correctly?  
 22 A. Yes.  
 23 Q. And it shows the assisting officer is Maria  
 24 Gandy, David Garcia, Carlos Servantes, and the  
 25 dispatcher is listed as Israel Trevino, and the call was

Page 232

1 received by Israel Trevino and the other party or  
 2 parties is listed as Maricela Trevino. Did I read that  
 3 correctly?  
 4 A. Yes.  
 5 Q. Okay. And this exhibit has a narrative.  
 6 Correct?  
 7 A. Page two, yes.  
 8 Q. And the author of this narrative is a -- is  
 9 patrol -- is police officer Yarrito. Do you see that at  
 10 the top?  
 11 A. Yes.  
 12 Q. And the title of this narrative is overdose.  
 13 Do you see that, sir?  
 14 A. Yes.  
 15 Q. And it reads, "On Monday, January 30th, 2006 at  
 16 about 1:06 p.m., I was dispatched to 815 East America in  
 17 reference to an overdose." Did I read that correctly?  
 18 A. Yes.  
 19 Q. "Upon arrival I made contact with Chris  
 20 Villarreal 01-13-63, who stated her sister had taken an  
 21 unknown amount of anxiety pills (Lorazepam). When asked  
 22 Maricela Trevino advised she took about eight pills."  
 23 Did I read that correctly?  
 24 A. Yes.  
 25 Q. "Maricela Trevino appeared to be highly

Page 233

1 intoxicated our (sic) under the influence of medication.  
 2 She also had slurred speech and unsteady balance.  
 3 Weslaco EMS transported her to Knapp Medical Center."  
 4 Did I read that correctly?  
 5 A. Yes.  
 6 Q. Okay. So this is -- and you called it a call  
 7 sheet. Right?  
 8 A. Uh-huh.  
 9 Q. This call sheet. Would you agree with me that  
 10 overdosing on prescription drugs is consistent with  
 11 suicidal behavior?  
 12 A. Exclusively? No.  
 13 Q. Can it be consistent with suicidal behavior?  
 14 A. It can be.  
 15 Q. Okay. And Officer Yarrito, who is the author  
 16 of this report, she was a licensed peace officer in  
 17 January of 2006. Right?  
 18 A. That sounds right.  
 19 Q. And she is a competent police officer?  
 20 A. Yes.  
 21 Q. Okay. And was she competent -- a competent  
 22 police officer back in January of 2006?  
 23 A. I believe so.  
 24 Q. And Officer Maria Delores Gandy, she was a  
 25 licensed peace officer in January of 2006 as well.

1      Correct?  
 2      A. I believe so.  
 3      Q. Is -- was she a competent police officer back  
 4      in January of 2006?  
 5      A. I believe so.  
 6      Q. Okay. Do you disagree with Officer Yarrito's  
 7      decision to have Maricela Trevino transported to Knapp  
 8      Medical Center --  
 9      A. No.  
 10     Q. -- as shown in this exhibit?  
 11     A. No.  
 12     Q. And based on this incident, would you say that  
 13    Maricela Trevino suffered from mental illness in January  
 14    of 2006?  
 15     A. No.  
 16     Q. Would you agree with me that the Weslaco Police  
 17    Department, in this instance Officer Yarrito and Officer  
 18    Gandy, were both aware that Maricela Trevino was  
 19    vulnerable to suicidal tendencies in January of 2006?  
 20     MS. KENNAMER: Objection, form.  
 21     A. I would lend credence to that if there was a  
 22    suicide note or -- I don't see anything that gives any  
 23    indication that she took this Lorazepam as to take her  
 24    own life, other than she was taking them for whatever  
 25    reason.

Page 235

1      Q. Okay. Now, based on the November 2005  
 2      sectioning of Maricela Trevino and this January 2006  
 3      overdose, did the City of Weslaco Police Department and  
 4      its officers have knowledge of Maricela Trevino's  
 5      vulnerability to suicidal tendencies?  
 6      MS. KENNAMER: Objection, form.  
 7      A. I think one officer had, by Exhibit No. 12,  
 8      sectioned her, but I don't see a return or anything with  
 9      this or a report documenting that it was served. And  
 10     this tells me they responded to her house after she took  
 11     eight pills and contacted EMS to have her transported to  
 12     Knapp Medical Center for medical treatment. I can't --  
 13     are you asking me to speculate whether she did it due to  
 14     mental illness?  
 15     Q. No.  
 16     A. I can't say --  
 17     Q. No, sir. I was asking whether -- whether the  
 18     City of Weslaco, based on the incident in November  
 19     of 2005 when she was sectioned and the overdose in  
 20     January of 2006, whether at that time did the City of  
 21     Weslaco police personnel have knowledge of Maricela  
 22     Trevino's vulnerability to suicidal tendencies?  
 23     MS. KENNAMER: Objection, form.  
 24     Q. Yes or no?  
 25     A. I don't see how.

1      Q. Okay. Let me ask you another question.  
 2      MS. KENNAMER: Let him finish his answer.  
 3      Q. Oh, I didn't know. I thought he was going  
 4      to --  
 5      A. I would say, yes, I had these officers  
 6      responding to this incident for her taking an amount of  
 7      pills. What was behind it, what was her intent, I don't  
 8      know, and those officers are aware of this situation.  
 9      And then I have an application for emergency  
 10     apprehension under Health and Safety Code for mental  
 11     health screening, but I don't have an attachment of  
 12     completion. And I am assuming that if this was served,  
 13     then that one officer would have evidence that her  
 14     brother sectioned her. Any more or less than that, did  
 15     the department as a whole know? No.  
 16     Q. Okay. Let me ask you the following question.  
 17     And based on the November 2005 sectioning of Maricela  
 18     Trevino and the January 2006 overdose on prescription  
 19     pills, did the Weslaco Police Department have knowledge  
 20     that Maricela Trevino was a suicide risk?  
 21     A. No.  
 22     Q. Okay. Let me hand you Exhibit No. 14. Please  
 23     let me know when you are done reviewing it, lieutenant.  
 24     A. Okay.  
 25     Q. Okay. What is Exhibit No. 14?

Page 235

Page 237

1      A. Exhibit No. 14 consists of three pages stapled  
 2      together. The first page appears to be a call sheet,  
 3      and again the second page is -- it looks like a  
 4      facsimile of either officer's notes or a report  
 5      regarding Maricela Trevino.  
 6      Q. Okay. And on page one of Exhibit 14, that is  
 7      a -- shows Weslaco Police Department at the top. Right?  
 8      A. Yes.  
 9      Q. With a case number 2006024440; is that correct?  
 10     A. Yes.  
 11     Q. And it is dated November 6th, 2006?  
 12     A. Correct.  
 13     Q. And the location is outlet/Los Torritos,  
 14     Weslaco. Is that what is shown?  
 15     A. Yes.  
 16     Q. Okay. And the complainant is Xenia Yarrito.  
 17     That is Officer Yarrito of the Weslaco Police  
 18     Department?  
 19     A. Correct.  
 20     Q. And under offender it says, "See other  
 21     parties." Under offense -- do you see that section in  
 22     the middle of the page?  
 23     A. Yes.  
 24     Q. Offense 1, and then it says, "Offense (RS#)  
 25     section 26/28." Do you see that, sir? Did I read that
